Hearts of Elephants and Men Martin Gwent Lewis,1999-12-01 Writers Directory NA NA,2016-03-05 **The World's Work** Walter Hines Page,Arthur Wilson Page,1922 A history of our time *Children's Books on Africa and Their Authors* Nancy J. Schmidt,1975 **Changeling and Other Stories** Brian Oswald Patrick Donn-Byrne,2022-08-01 Brian Oswald Patrick Donn Byrne s Changeling and Other Stories is a seminal collection that weaves together the mystical fabric of Irish folklore with the deft touch of literary mastery With its poetic narrative and a tapestry of haunting themes Donn Byrne s prose stands as a testament to the early 20th century Irish literary renaissance nestling beside the works of Yeats and Joyce In each story the reader is drawn into a world where the ethereal meets the everyday and the line between reality and imagination blurs revealing the hidden depths of the human experience Published by DigiCat Publishing this special edition breathes new life into Donn Byrne s legacy making these classic tales accessible to a contemporary audience in both print and digital formats The care taken to preserve the integrity of each word underlines the publisher s dedication to honoring the cultural inheritance of global literature Donn Byrne an author of Irish descent whose own life was shaped by the lore and romance of the Emerald Isle poured his profound connection with his heritage into his writings His nuanced understanding of Ireland s tumultuous history and the rich oral tradition of storytelling undoubtedly influenced the creation of Changeling and Other Stories Born into the epoch of Ireland s transformation Donn Byrne captures the spirit of the time with incisive empathy and a vivid imagination that transcends the pages of his work This collection is not merely a set of tales but a heartfelt exploration of identity change and belonging Changeling and Other Stories is an essential addition to the library of anyone enamored with Celtic myths folklore enthusiasts or devotees of classic literature DigiCat s thoughtful presentation of these narratives calls forth the same reverence and emotional engagement that Donn Byrne himself would have valued Beyond its historical significance this compilation offers a rich literary experience full of wonder melancholy and the immortal power of storytelling Readers are invited to delve into these pages and emerge transformed touched by the enchantment and enduring wisdom that Donn Byrne s stories provide *Miss Ayr of Virginia And Other Stories* Julia Magruder,2020-09-28 When Miss Ayr of Virginia came down to take her place on the coach for the races in company with her cousins the Miss Ayr of New York there was a discrepancy between the former and the latter which could scarcely have failed to attract attention It could not be denied that the advantage was on the side of the last named ladies though Miss Ayr of Virginia was exquisite and they were plain Compared with such costumes as they wore however such chic such height such distinguished bearing what was mere beauty The little country girl with her village made costume just saved from absolute dowdiness by a few touches from her cousins maid which she had inwardly resented was certainly a fish out of water in that jaunty party and in her wretched little soul she felt it Moreover her dress was not only countrified it was unbecoming Its style of construction quite disguised her slight and charming figure and her hat was as complete a handicap

for a beautiful face as could well have been invented She did not realize this not having as yet entirely lost her buoyant belief in herself which was one result of her being an only child and the spoiled darling of her father besides being the recognized belle of her county What she did realize however was that these fashionable cousins of hers found her a nuisance and that the invitation which she had received from their father would never have come from themselves The Miss Ayr of New York were partly right in what they said of their cousin namely that she had been badly brought up This fact might possibly have been overlooked on the score of her having lost her mother in childhood but for the other fact that the Miss Ayr of New York were in the same case and yet felt proudly conscious that they could challenge the world as to their unimpeachable good form There was one important difference between the two families however The Ayr of New York were rich while the Ayr of Virginia were poor The war which had caused the impoverishment of the latter branch of the family was not yet so far back in the past but that days of opulence and ease could yet be remembered even by this sole representative in the present generation Miss Carter Ayr who now for the first time emerged from the safety and seclusion of her beloved South was come to taste the delights of a season in New York The two brothers who were the respective heads of the families had both been left widowers and neither of them had re married but John Ayr of New York had been able to give his daughters the very best that money could do for them in the way of governesses and chaperonage and foreign travel while Henry Ayr of Virginia had had to content himself with the ministrations of a gentle old maid cousin who had been governess and chaperon in one and had let Carter grow up much as she chose a fact which had not in the least interfered with her father s complete satisfaction with her
