Brooke,1996-05-31 This 1995 book presents an

alternative and comprehensive understanding of the roots of Mormon religion The Hermetic Link Jacob Slavenburg,2012-04-01 Hermes is the Greek god of the Word of thought and magic the swift moving messenger of the Divine and guardian of souls in the Afterlife In Ancient Egypt he was the majestic god Thoth the Recorder the lord of measurement and science the brother husband of Isis In Rome he was of course Mercury flying through the Empyrean at the speed of idea by the aid of his winged helmet and boots In this broad survey of the Hermetic arts author Jacob Slavenburg brings an unparalleled depth of insight to the subject He examines the historical Hermetic literature and details its relevance to modern occultism from the symbolism of architecture and art to the mysteries of Freemasonry The heavenly mysteries of astrology are explored as are the healing arts which derive from the spirit of scientific inquiry embodied by Thoth Hermes Slavenburg examines the magical writings of the Greek papyri and their development into the contemporary magical practices of modern adepts He sheds light on the workings of alchemy and the esoteric philosophy to the world of modern chemistry and physics He explores the origin of evil and the realm of the afterlife and the Hermetic doctrines of reincarnation and karma In addition the author provides a wealth of biographical data on the magi of Hermeticism from Ficino to Agrippa John Dee to Giordano Bruno The Secret Teachings Of All Ages Manly P Hall,1973 *Cracking the Freemasons Code* Robert L.D. Cooper,2007-09-04 Respected historian and Scottish Freemason Cooper offers a rare inside look at the secret brotherhood of the Freemasons Readers will discover the true role the order has played throughout history its purposes symbolism and beliefs and more **Tarot and the Path of Initiation** Henry Ho,2013-11-18 This book came into being from the authors exasperation at the ignorance of many users of the Thoth tarot deck They prefer to go by their intuition rather than study Crowleys companion book to the deck The Book of Thoth Its too dense they cry Im not interested in these philosophies I just want to read Tarot The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck For the decks purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowleys legacy out of duty It was due to Crowleys belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth **Son of Perfection, Part 2** Hilton Hotema,2018-12-05 Man is the subject of the Ancient Scriptures Perfect Man is the Hero of the Ancient Scriptures Deportment in harmony with Cosmic Law was the ancient standard of Perfect Man According to the principles of the Ancient Masters complete self mastery was their standard of Perfect Man For he who conquers himself is greater than he who conquers a city He that overcometh the desires of the flesh and the passions of the blood and obeyeth the commandment not to eat of the forbidden fruit the same shall inherit all things good in life and I Perfection will be his Guide and he shall be my Son Gen 2 17 Rev 21 7 The first book

and the last book of the Bible deal with the forbidden fruit The last book describes in symbol and parable the nature of the man who heeds the commandment not to eat of the forbidden fruit and defines the great reward inherited by him for obedience For such is the only man who is worthy to open the book and to loose the seals thereof Rev 5 Also in the last book of the Bible there is concealed the greatest of all secrets of the Human Body the Microcosm This secret hidden in symbol and parable is so strange and obscure that as yet modern science knows nothing about it and the priests and preachers have never discovered it The purpose of this work which is presented in two parts is to uncover and reveal that carefully guarded secret and to provide a summary of the hidden teachings of the Apocalypse the last book of the Bible by chapter and verse from the original Greek with an interpretation of the symbols and parables based on the Lost Wisdom of the Ancient Masters

Ideography and Chinese Language Theory Timothy Michael O'Neill, 2016-07-11 This book is a much needed scholarly intervention and postcolonial corrective that examines why and when and how misunderstandings of Chinese writing came about and showcases the long history of Chinese theories of language Ideography as such assumes extra linguistic trans historical universal ideas which are an outgrowth of Platonism and thus unique to European history Classical Chinese discourse assumes that language and writing is an arbitrary artifact invented by sages for specific reasons at specific times in history Language by this definition is an ever changing technology amenable to historical manipulation language is not the House of Being but rather a historically embedded social construct that encodes quotidian human intentions and nothing more These are incommensurate epistemes each with its own cultural milieu and historical context By comparing these two traditions this study historicizes and decolonializes popular notions about Chinese characters exposing the Eurocentrism inherent in all theories of ideography Ideography and Chinese Language Theory will be of significant interest to historians sinologists theorists and scholars in other branches of the humanities

The Secret Teachings of All Ages Manly Palmer Hall, 2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth's greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate

topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particularism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together
