Scotland from just 120 metres to a manageable 609 metres and from Cornwall to the Scottish Highlands there's bound to be a hill for you. When it comes to mountains, society seems to be obsessed with height, says Phoebe Smith. But those who shun peaks based on measurement are truly missing out. Following on from the success of Wilderness Weekends, people are always asking me where they can take a friend, partner or young child that will help convince them that the outdoors and hills are worth the effort.
