Handbook of Ancient, Classical and Late Classical Persian Literature Kamran Talattof, 2023-06-06 The Routledge Handbook of Ancient Classical and Late Classical Persian Literature contains scholarly essays and sample texts related to Persian literature from 650 BCE through the 16th century CE It includes analyses of some seminal ancient texts and the works of numerous authors of the classical period The chapters apply a disciplinary or interdisciplinary approach to the many movements genres and works of the long and evolving body of Persian literature produced in the Persianate World These collections of scholarly essays and samples of Persian literary texts provide facts general information instructions ways to understand analyze and appreciate this body of works and the field s state of the art research the problematics of the topics regarding one of the most important and oldest literary traditions in the world Thus the Handbook s chapters and related texts provide scholars students and admirers of Persian poetry and prose with practical and direct access to the intricacies of the Persian literary world through a chronological account of key moments in the formation of this enduring literary tradition The related Handbook also edited by Kamran Talattof Routledge Handbook of Post Classical and Contemporary Persian Literature covers Persian literary works from the 17th century to the present **Silent Teachers** Nil Ö.

Palabıyık, 2023-03-17 Silent Teachers considers for the first time the influence of Ottoman scholarly practices and reference tools on oriental learning in early modern Europe Telling the story of oriental studies through the annotations study notes and correspondence of European scholars it demonstrates the central but often overlooked role that Turkish language manuscripts played in the achievements of early orientalists Dispersing the myths and misunderstandings found in previous scholarship this book offers a fresh history of Turkish studies in Europe and new insights into how Renaissance intellectuals

studied Arabic and Persian through contemporaneous Turkish sources This story hardly has any dull moments the reader will encounter many larger than life figures including an armchair expert who turned his alleged captivity under the Ottomans into bestselling books a drunken dragoman who preferred enjoying the fruits of the vine to his duties at the Sublime Porte and a curmudgeonly German physician whose pugnacious pamphlets led to the erasure of his name from history Taking its title from the celebrated humanist Joseph Scaliger s comment that books from the Muslim world are silent teachers and need to be explained orally to be understood this study gives voice to the many and varied Turkish language books that circulated in early modern Europe and proposes a paradigm shift in our understanding of early modern erudite culture *New*
