The Abbey Theatre Cradle Of Genius

Alexander G. Gonzalez

The Abbey Theatre Cradle Of Genius:

The Abbey Theatre, Cradle of Genius Gerard Fay, 1958 **The Abbey Theatre** E. H. Mikhail, 1988-01-01 The present work is a composite biography that provides a forum to most of those who have been associated with the Abbey Theatre from the beginning to the present time actresses actors playwrights men of letters producers directors stage carpenters house electricians and supporters of the theatre It is hoped that the method used in this book will give a different impression from that of previous histories of the Theatre and on balance probably a truer one *The Abbey, Ireland's National Theatre, 1904-1978 [i.e. 1979]* Hugh Hunt, 1979 Traces the evolution of the Abbey Theatre from amateur organization to professional theatre of international renown examining its history within the context of Ireland's social and political environment and in relation to its playwrights directors and actors **Theatre and the State in Twentieth-Century Ireland** Lionel Pilkington, 2002-01-22 This major new study presents a political and cultural history of some of Ireland's key national theatre projects from the 1890s to the 1990s Impressively wide ranging in coverage Theatre and the State in Twentieth Century Ireland Cultivating the People includes discussions on the politics of the Irish literary movement at the Abbey Theatre before and after political independence the role of a state sponsored theatre for the post 1922 unionist government in Northern Ireland the convulsive effects of the Northern Ireland conflict on Irish theatre Lionel Pilkington draws on a combination of archival research and critical readings of individual plays covering works by J M Synge Sean O Casey Lennox Robinson T C Murray George Shiels Brian Friel and Frank McGuinness In its insistence on the details of history this is a book important to anyone interested in Irish culture and politics in the twentieth century **The Urban Plays of the Early Abbey Theatre** Elizabeth Mannion, 2014-12-03 Ireland's Abbey Theatre was founded in 1904 Under the guidance of W B Yeats and Lady Augusta Gregory it became instrumental to the success of many of the leading Irish playwrights and actors of the early twentieth century Conventional wisdom holds that the playwright Sean O Casey was the first to offer a new vision of Irish authenticity in the people and struggles of inner city Dublin in his groundbreaking trilogy *The Shadow of a Gunman* *The Plough and the Stars* and *Juno and the Paycock* Challenging this view Mannion argues that there was an established tradition of urban plays within the Abbey repertoire that has long been overlooked by critics She seeks to restore attention to a lesser known corpus of Irish urban plays specifically those that appeared at the Abbey Theatre from the theatre's founding until 1951 when the original theatre was destroyed by fire Mannion illustrates distinct patterns within this Abbey urban genre and considers in particular themes of poverty gender and class She provides historical context for the plays and considers the figures who helped shape the Abbey and this urban subset of plays With detailed analysis of box office records and extensive appendixes of cast members and production schedules this book offers a rich source of archival material as well as a fascinating revision to the story of this celebrated institution **Modern Irish Writers** Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has

continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume

Critical Companion to William Butler Yeats David A. Ross, 2014-05-14 Examines the life and writings of William Butler Yeats including a biographical sketch detailed synopses of his works social and historical influences and more

Shakespeare and Twentieth-Century Irish Drama Rebecca Steinberger, 2017-11-28 Exploring the influence of Shakespeare on drama in Ireland the author examines works by two representative playwrights Sean O'Casey 1880-1964 and Brian Friel 1929 Shakespeare's plays grounded in history nationalism and imperialism are resurrected rewritten and reinscribed in twentieth century Irish drama while Irish plays in turn historicize the Subject-Object relationship of England and Ireland In particular the author argues Irish dramatists' appropriations of Shakespeare were both a reaction to the language of domination and a means to support their revision of the Irish as Subject This study reveals that Shakespeare's plays embody an empathy for the Irish Other As she investigates Shakespeare's commiseration with marginalized peoples and the anticolonial underpinnings in his texts the author situates Shakespeare between the English discourse that claims him and the Irish discourse that assimilates him

The Spaces of Irish Drama H. Lojek, 2011-10-03 Lojek provides extensive analysis of space in plays by living Irish playwrights applying practical understandings of staging and the insights of geographers and spatial theorists to drama in an era increasingly aware of space

Cinema and Ireland Kevin Rockett, Luke Gibbons, John Hill, 2014-01-21 This was the first comprehensive study of film production in Ireland from the silent period to the present day and of representations of Ireland and Irishness in native British and American films It remains an authority on the topic The book focuses on Irish history and politics to examine the context and significance of such films as *Irish Destiny* *The Quiet Man* *Ryan's Daughter* *Man of Aran* *Cal* *The Courier* and *The Dead*
