Julius, 2004-11-10 The years between America s founding and the cusp of the Civil War are often overlooked in discussions of America s struggle over slavery The conflagration that nearly destroyed the country did not ignite quickly but was the culmination of a long smoldering debate that saw significant developments in those intervening decades In particular the period from 1829 to 1838 witnessed the growth of the Abolitionist movement begun by determined visionaries bent on bringing the evils of slavery to the forefront of America s consciousness and ending a glaring injustice Attacked by their opponents scorned by both sides for their missionary zeal often relegated to a footnote in history the Abolitionists were key in shaping the argument over slavery and bringing America s greatest internal struggle to its conclusion This examination of the Abolitionist movement presents a year by year outline of the period from 1829 to 1838 chronicling the growth of the Abolitionists as a social and political group By giving an overview of other important occurrences each year it depicts the
