Written by Scriblerus Secundus** Henry Fielding,1731 The Genuine Grub-street Opera Henry Fielding,1731 **The Grub-street Journal** James Theodore Hillhouse,1928 Henry Fielding Thomas R. Cleary,2006-01-01 An accurate and comprehensive study of the political aspects of Fielding s art has been sorely needed As a result of decades of work by literary scholars and a series of great historians such a study is finally possible This volume addresses that need and in the light of a recent revival of interest in Fielding s work it arrives most opportunely The author offers here a wide ranging focus and a firm grip on the shifting complexities of Fielding s political situations the loyalties and enmities factional alignments and fractious rhetoric that allow the satisfactory understanding of Fielding s political writing Political writing in Fielding s day as in ours was topical concerned with evanescent problems and day to day needs that were familiar to contemporaries but that are now recaptured only with greatest difficulty This study constitutes a thorough reconstruction of Fielding s political context and extricates from the context Fielding s own political endeavours Cleary s work will make many of Fielding s previously unstudied works accessible to students and scholars of eighteenth century English literature A necessary point of reference to both literary specialists and historians concerned with eighteenth century England Love in several masques. 1728. The temple beau. 1730. The author's farce, and Pleasures of the town. 3d ed. 1750. The coffee-house politician. 1730. The tragedy of tragedies. 4th ed. 1751. The letter-writers. 1750 Henry Fielding,1755 Dramatic Works Henry Fielding,1882 *Henry Fielding - Plays, Volume II, 1731 - 1734* Henry Fielding,2007-10-11 This is the second of three volumes of plays by Henry Fielding whose vibrant early career in theatre has been overshadowed by his later fame as the author of novels like Tom Jones The edition makes his plays and his rich gift for theatrical comedy accessible for the first time in modern form **The Golden and the Brazen World** John M. Wallace,2023-11-15 The Golden and the Brazen World Papers in Literature and History 1650 1800 examines the evolving relationship between

literature and history inspired by Sir Philip Sidney's *Defence of Poetry*. Sidney's distinction between poetry's golden world which idealizes and conveys moral truths and history's brazen world focused on detailed but often confusing facts frames the central theme. By the 18th century this rivalry had softened into a collaborative exchange with poets drawing on historical subjects for inspiration and historians using narrative techniques to enhance their work. This interdisciplinary dialogue reflects their shared roots in moral philosophy and their complementary efforts to illuminate human experience. The essays in this collection based on lectures from the Clark Library showcase this intersection through specific case studies. Topics range from Andrew Marvell's *The First Anniversary* and its political poetic implications to re-evaluations of John Dryden's *Absalom and Achitophel*. Contributions also include Susan Staves exploration of legal history in 18th century marriage and James Chandler's analysis of Edmund Burke's influence on Wordsworth. Together these essays reveal how literature and history shape and inform each other highlighting their combined potential to enrich intellectual and cultural understanding. This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1985.
