Thomas Wride and Wesley's Methodist Connexion Clive Murray Norris, 2020-02-20 This book highlights the life and writings of an itinerant preacher in John Wesley's Methodist Connexion Thomas Wride 1733-1807 Detailed studies of such rank and file preachers are rare as Methodist history has largely been written by and about its leadership However Wride's ministry shows us that the development of this worldwide movement was more complicated and uncertain than many accounts suggest Wride's attitude was distinctive He was no respecter of persons freely criticising almost everyone he came across and in doing so exposing debates and tensions within both Methodism and wider society However being so combative also led him into conflict with the very movement he sought to promote Wride is an authentic self-educated and non-lite voice that illuminates important features of Eighteenth Century life well beyond his religious activities He sheds light on his contemporaries' attitudes to issues such as the role of women attitudes towards and the practice of medicine and the experience and interpretation of dreams and supernatural occurrences This is a detailed insight into the everyday reality of being an Eighteenth Century Methodist minister As such this text will be of interest to academics working in Methodist Studies and Religious History as well as Eighteenth Century History more generally

embodied performance Pensées Catholiques Edward L. Helmrich, 2022-01-12 Perhaps the most fundamental barrier to faith is that every scheme of meaning is seen as a construction i e that reality in itself is meaningless One constructs a meaning and lives within it to make life workable and bearable This current view though is based on the assumption that reality has no meaning In contrast the claim here is that reality is not meaningless in itself and that Judeo Christianity and Catholicism in particular and other understandings to the extent that they agree with these two are not constructions but are true in reality Reality has meaning and that meaning is revealed and accessible to us It s not pushing one construction over another it is to claim that Catholicism Christianity describes the nature of reality At the same time it has to be acknowledged that our culture has recently moved beyond discourse and discussion of which this collection is a part making it sort of out of date we have moved on to simple conflicts of power and now to even worse In general it might be that our situation is that of Revelation 22 11 Let the one who does wrong continue to do wrong let the vile person continue to be vile let the one who does right continue to do right and let the holy person continue to be holy From the forward **Rudyard Kipling** Roger Lancelyn Green, 2013-07-04 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 **An Exposition of the New Testament** Matthew Henry, 1759 *Lily Whites of Steel* Lindsay Evelyn Hamilton, 2013-12 Born into the flaming trenches of a true spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself into The Perfect Daughter so that she might evade her disturbed mother s malevolence Lacey is a demure child whose primrose sweetness and white laced stoicism harken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one s spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment *Lily Whites of Steel* is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth
