leadership challenges and his personal failures he communicated his heart in his psalms Many business leaders today apply the principles of the ancient Chinese general Sun Tzu from The Art of War to their business In fact legions of Sun Tzu devotees are out there applying the principles of a pagan conqueror to attack the marketplace for personal gain How much better to consider the brilliance of God s conqueror King David a man after His own heart David s psalms are poetic expressions of this heart Furthermore his psalms continue to be living and active Hebrews 4 12 as they are indeed part of the living and active Word of God for business leaders today No followers of Sun Tzu would dare to make such an amazing claim Business after God s Heart challenges the heart of the business leader to follow after the heart of God as it is revealed in the psalms of David And ultimately as the leader s personal engagement in business flows from this heart it will yield the fruit of Business after God s Heart
