The Heart Of Love:

The Heart of Love Joshua Miller, 2009-02 Love is the very nature of God It is the essence of his sanctity It is the something of his divinity that permeates our very existence It is through him and in him that creation was given life By looking upon Christ we see the love of God By accepting Christs nature we come into the truth of that love God is love If this book doesnt change your mind it will still change your heart Amidst the toils and spoils of the world and the shadow cast by our many grievances we often forget the joy of dwelling in simple love Joshua Millers debut book Heart of Love explores the wisdom and virtue of being a person of love Read about love Love is in this book it waits for you This book is a destroyer a creator and a healer for love is all of these Love will destroy falsehood It will heal old wounds And it will create new worlds of goodness and possibility Come to the siren song of love Dance in its flow Let your eyes meet its words Let your heart embrace the light This book this little lantern will shine into your heart It will add to that light that is already in you that transcendent light that pushes the darkness into oblivion Interweaving unique poetic tones within his wisdom filled study Miller takes readers beyond simple surface acceptance and into the cavernous riches found within love These words are for you The prime nature of this book is love It wakes you It is alive with the spirit of love may it resound in your soul as you read it

The Heart of Love Barbara Cartland, 2013-09-01 When her new stepmother attempts to marry her off Verena escapes to France only to find herself caught between love marriage or prison

The Heart of Love Ted Rivera, 2013-12-03 A marvel of succinctness this presentation is one of the best I have seen for initial direction in the faith once delivered to the Fathers Dr Paige Patterson Ted Rivera unpacks the mystery of God s will with a simple yet profound look at what Jesus called the two greatest commandments loving God and loving others Filled with examples drawn from everyday life Rivera s book is practical and wise a welcome primer for any student of the Bible wanting to deepen their understanding of how to follow Jesus rightly In the end Rivera concludes Jesus isn t looking merely for consistency in obedience but for obedience in love Indeed all our good deeds are utterly worthless if they are disconnected from a heart that beats not only with love for our God but also with love for our fellow human beings The Heart of Love urges readers toward a deepened faith and a greater imitation of the God who is love
