Influence and power are not just for men The fight was never intended to be man vs woman Both men and women are strong and mighty in the Lord Chayil is a Hebrew word that is connected to strength wealth power influence wisdom and military might and it happens to be the word translated virtuous in Proverbs 31 Since the beginning of time chayil or virtuous women have been created to fight for and defend their homes families and other kingdom entities against evil influences Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence A chayil woman is strong mighty and efficient valiant virtuous and victorious We were created to war together man and woman side by side tearing down demonic strongholds of wickedness and advancing the territory of the kingdom of God If you want to be empowered to accomplish your kingdom destiny and purpose in Christ this book is for you Using numerous examples from Scripture this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs strengthened and motivated to tap into their God given abilities and power to build and influence the areas they occupy activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal kill and destroy able to take authority and defend their families possessions destinies property and dignity encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry The chayil anointing manifests in the woman who is anointed for ministry business and marketplace influence

Ja'Ola Walker, 2009-02 The Eight Powers of A Woman My prayer is that you would see all the power and responsibility God has put in your hands When our power is misunderstood it is used by Satan to destroy us and those around us When we operate under the direction of the Holy Spirit you and I can become powerful weapons of warfare against Satan Sometimes as we look across our troubled land all we see are problems but in God's grace and mercy He provides answers I believe the ministry of Clarence Discussion questions for each chapter included

Walking with the Women of the Bible Elizabeth George, 2008-03-01 Meditate on God's Tender Love for Women Just Like You Start or end your day with these powerful one

minute reminders of God's work in the lives of women in the Bible. You'll find encouragement for your own faith journey as you meet women such as Eve who reflected God's beautiful image to the world, Leah who was remembered and blessed by God in her sorrow, Deborah who became a humble and godly leader in battle, Esther who relied on God for courage in desperate times, Mary mother of Jesus who found peace in complete trust. As you learn how God has comforted, helped, and provided for the women in the Bible, you'll grow more and more aware of His amazing love for you.

Witches of the Atlantic World Elaine G. Breslaw, 2000-09. Breslaw, history U of Tennessee, has created a fascinating reader for undergraduate classes in history, anthropology, religious studies, or women's studies, surveying the subject of witches, witch hunts, and the larger political context of both. The sections which cover Christian perspectives, non-Christian beliefs, diabolical possession, issues of gender, and a lengthy section on the Salem witch trials, each include an introduction by Breslaw, primary sources, then secondary commentaries on the sources. The latter are excerpts from books and articles. Annotation copyrighted by Book News, Inc., Portland, OR.

The Power of a Virtuous Woman Paula Penn-Nabrit, 2012-06-23. Five years ago, nobody wanted to teach the women's Sunday School class, so the group settled on Proverbs 31 as an easy read, but soon realized they actually knew very little about it. *The Power of a Virtuous Woman* is the book written as a guide. It examines Proverbs 31 from beginning to end with hard questions all along the way. Questions like: how did David's relationship with Bathsheba affect her relationship with their son Solomon? And exactly how did Bathsheba get Solomon to listen to her when he was already a grown man? It explores ancient yet ongoing conversations about gender, power, submission, obedience, and sacrifice. The questions at the end of each chapter beg more for analysis than answers and sometimes elicit anger: Are these conversations okay in the 21st century, or are the inquiries just too dangerous for women? The class grew from nine to more than twenty women in a few short months. Amid the privacy of the church library, the comfort of coffee, tea, and homemade goodies, and the growing confidence of true sisterhood, they explored every verse of the chapter they thought they already knew. *The Power of a Virtuous Woman* covers various perspectives on life, marriage, and parenting presented in Proverbs 31, because the class roster is varied. Some of the sisters are in their 20s, some are in their 70s, and some are in between. They are single, married, divorced, and widowed, with and without children, and some are raising grandkids. Some of the sisters have beautiful homes, some live in shelters, and some have been incarcerated. There are professionals with advanced degrees and others working on their GEDs, but like many women around the world, they all struggle with issues of virtue, power, and submission. Perspectives on that struggle form the basis of *The Power of a Virtuous Woman*.
