the Further Exciting Advent
Their Visit to the Sea Fairies L. Frank Baum, 2016-08-21 With *The Sea Fairies*, my book for 1911, I ventured into a new field of fairy literature, and to my delight, the book was received with much approval by my former readers, many of whom have written me that they like Trot almost as well as Dorothy. As Dorothy was an old friend and Trot a new one, I think this is very high praise for Cap'n Bill's little companion. Cap'n Bill is also a new character who seems to have won approval, and so both Trot and the old sailor are again introduced in the present story, which may be called the second of the series of adventures of Trot and Cap'n Bill. But you will recognize some other acquaintances in *Sky Island*. Here, for instance, is Button Bright, who once had an adventure with Dorothy in Oz, and without Button Bright and his Magic Umbrella, you will see that the story of *Sky Island* could never have been written. As Polychrome, the Rainbow's Daughter, lives in the sky, it is natural that Trot and Button Bright meet her during their adventures there. This story of *Sky Island* has astonished me considerably, and I think it will also astonish you. The sky country is certainly a remarkable fair land, but after reading about it, I am sure you will agree with me that our old Mother Earth is a very good place to live upon, and that Trot and Button Bright and Cap'n Bill were fortunate to get back to it again. By the way, one of my little correspondents has suggested that I print my address in this book so that the children may know where letters will reach me. I am doing this as you see, and hope that many will write to me and tell me how they like *Sky Island*. My greatest treasures are these letters from my readers, and I am always delighted to receive them. L. FRANK BAUM **Sky Island (□□□□)** L. Frank

Trot's equally strange experiences. Many children implored me to write something about the mermaids and I willingly granted the request. This story of Sky Island has astonished me and I think it will also astonish you. The sky country is certainly a remarkable land. L. Frank Baum's Sky Island are some other recognisable Oz characters: Button Bright and Polychrome the Rainbow's Daughter. You will also meet the bad Greatly Stately Irately Boolooroo who takes our friends prisoner and the little blue dog that crows like a rooster, the pretty blue cat that sings like a bird, the soft blue lamb that chatters like a monkey, the poetic blue parrot that barks like a dog and the fuzzy blue rabbit that roars like a lion. Sky Island Lyman Frank Baum, 2024-11-23. HELLO said the boy. Hello answered Trot looking up surprised. Where did you come from Philadelphia said he. Dear me said Trot you're a long way from home then. Bout as far as I can get in this country the boy replied gazing out over the water. Isn't this the Pacific Ocean? Of course. Why of course he asked. Because it's the biggest lot of water in all the world. How do you know? Cap'n Bill told me she said.
