Bouclin, 2021-03-15 Entertainment and profit constitute the driving force behind popular representations of women in correctional facilities But the creative influence of film and television also generates legal meaning The women in prison WIP genre can leave viewers feeling both empathetic toward the women portrayed in these representations and troubled about the crimes for which they have been convicted Focusing on five exemplary WIP films and a television series Ann Vickers *Caged Heat* *Stranger Inside* *Civil Brand* and *Orange Is the New Black* *Women Film and Law* asks how fictional representations explore shape and refine beliefs about women who are incarcerated From melodrama to exploitation and from theatre screenings to on demand film television programs and music videos these texts bring into view the legal economic and political structures that criminalize women differently from men and that target those women who are already marginalized *Women Film and Law* convincingly argues that popular depictions of women's imprisonment can illuminate the multiple forms of social exclusion and oppression experienced by criminalized women *Gays and Lesbians in Mainstream Cinema* James Robert Parish, 1993 Hollywood's depiction of gays and lesbians has almost always been stereotypical from the extremely effeminate characters portrayed by Franklin Pangborn Eric Blore and Grady Sutton in the 1930s to the gay characters in *To Be or Not to Be* 1983 and *Torch Song Trilogy* 1988 A contrasting depiction the homicidal homosexual has been the basis for such popular films as *Looking for Mr Goodbar* 1977 This comprehensive filmography to homosexual characters in mainstream movies 1914 1992 includes full cast and credits production information reviews and an analysis of the film with an essay blending critical commentary and a synopsis of each film *Plan B* Jonathan Tropper, 2010-05-11 The heartwarming debut novel by the New York Times bestselling author of *This is Where I Leave You* and *One Last Thing Before I Go* Turning thirty was never supposed to be like this Ten years ago Ben Lindsey Chuck Alison and Jack graduated from New York University and went out into the world fresh faced and full of dreams for the future But now Ben's getting a divorce Lindsey's unemployed Alison and Chuck seem stuck in ruts of their own making and Jack is getting more publicity for his cocaine addiction than his multimillion dollar Hollywood successes Suddenly turning thirty past the age their parents were when they were born older than every current star athlete or pop music sensation seems to be both more meaningful and less than they'd imagined ten years ago *Plan B* Jonathan Tropper's wonderful debut novel is about more than friendship love celebrity addiction kidnapping or even turning thirty it's a heartfelt comic riff on what it means to be an adult against your

Hollywood v. Hard Core Jon Lewis, 2002-09-01 A tale of censorship and regulation at the heart of the modern film industry. In 1972 *The Godfather* and *Deep Throat* were the two most popular films in the country. One a major Hollywood studio production, the other an independently made skin flick. At that moment Jon Lewis asserts the fate of the American film industry hung in the balance. Spanning the 20th century, *Hollywood v. Hard Core* weaves a gripping tale of censorship and regulation. Since the industry's infancy, film producers and distributors have publicly regarded ratings codes as a necessary evil. Hollywood regulates itself; we have been told to prevent the government from doing it for them. But Lewis argues that the studios self-regulate because they are convinced it is good for business and that censorship codes and regulations are a crucial part of what binds the various competing agencies in the film business together. Yet between 1968 and 1973 Hollywood films were faltering at the box office and the major studios were in deep trouble. Hollywood's principal competition came from a body of independently produced and distributed films from foreign art house film, *Last Tango in Paris*, to hard-core pornography like *Behind the Green Door* that were at once disreputable and for a moment at least irresistible even chic. In response, Hollywood imposed the industry-wide MPAA film rating system, the origins

of the G PG and R designations we have today that pushed sexually explicit films outside the mainstream and a series of Supreme Court decisions all but outlawed the theatrical exhibition of hard core pornographic films Together these events allowed Hollywood to consolidate its iron grip over what films got made and where they were shown thus saving it from financial ruin
