Chalfant, 2002-10-01 In July 1857 the first major battle between the U S Army and the Cheyenne Indians took place in present day northwest Kansas The Cheyennes had formed a grand line of battle such as was never again seen in Plains Indians wars But they had not seen sabres before and when the cavalry charged sabres drawn they panicked William Y Chalfant re creates the human dimensions of a battle that was as much a clash of cultures as it was a clash of the U S cavalry and Cheyenne warriors

The Killing of Crazy Horse Thomas Powers, 2011-11-01 With the Great Sioux War as background and context and drawing on many new materials Thomas Powers establishes what really happened in the dramatic final months and days of Crazy Horse s life He was the greatest Indian warrior of the nineteenth century whose victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat ever inflicted on the frontier army But after surrendering to federal troops Crazy Horse was killed in custody for reasons which have been fiercely debated for more than a century The Killing of Crazy Horse pieces together the story behind this official killing

Where a Hundred Soldiers Were Killed John H. Monnett, 2008 Monnett takes a closer look at the struggle between the mining interests of the United States and the Lakota and Cheyenne nations in 1866 that climaxed with the Fetterman Massacre

Promise , 2004 This book covers the story of the Bozeman Trail the shortcut through Wyoming and Montana that initiated the so called Indian Wars on the Northern Plains from multiple perspectives To the Indians it was a route of invasion that led to cultural devastation and an end to a way of life To the immigrants it was a pathway through the wilderness that lead to new settlements a chance for owning land and future prosperity To help the reader appreciate the complex clash of cultures the author employs both his pen and camera writing sections from the opposing perspectives The book opens with an imaginary letter from an emigrant woman describing her journey over the trail It is linked to Native American interpretation of the Fetterman massacre through the eyes of a young Cheyenne warrior Along with the narratives are words of warriors and soldiers who were involved in the events including Fetterman s boast that with 80 men I could ride right through the Sioux Nation Other quotes include Sherman s outright advocacy of the genocide of the Indians after Fetterman s defeat On the Indian side men like Crazy Horse American Horse Sitting Bull and Red Cloud said that the whites made more promises than they could remember but they kept only one They promised to take our land and they took it The second half of the book is about reflections of the Bozeman Trail Giving those reflections are a

barrage of tribal historians descendants of famous warriors who fought along the trail as well as offspring of emigrants who traveled over the Trail Chief Alfred Red Cloud a great grandson of Chief Red Cloud presents the Red Cloud family's oral history of Red Cloud's War to close the Bozeman Trail while contemporary scholars such as Susan Badger Doyle discuss the role John Bozeman played in the establishment of the trail he actually pioneered less than a quarter of the route Chapman's award winning photography mixed with archival images ranges from wildlife and scenery along the trail to images of Indians and other people both past and present adding depth to the narrative

Connie Law Tana Sherratt, 2016-09-16 Giving Connie life was one thing her mother Mary Law could do for her daughter on that desperately sun drenched day in 1835 Her bedroom door barely kept the sand out and couldn't mask the drunken party below or Mary's weak screams and anguished cries Zack Law was furious when he learned Mary had delivered a beautiful healthy girl that day He cussed at Mary Connie and the doctor then abruptly rode away Here then is the story of Connie Law the prettiest female most men have ever seen Some said she was ruthless a killer and too bold others found her a gentle and caring soul Her hair was golden sunlight and her eyes were the color of the sea She rode the winds of hell to rewrite her history Connie was quiet She could fool some but make no mistake she was good with her guns Mary Law left her home in Maine and traveled to Texas with her young husband and would become a prisoner of his deceit and treachery She gave Zack five sons and her husband would own them all Zackary Law had a hatred for women and if he loved anything it was money Connie and Mary suffered painfully at the hands of Zack until he and his three eldest sons were killed in an Indian attack which would change the town of Murder Creek forever The raid took Connie and several other girls from their homes and families They would learn the laws of survival or die
