Slave Corp:

Evil Corporations Penny Crofts, 2024-07-05 This book elaborates and interrogates the idea of evil corporations from a diverse range of disciplines There has long been awareness of systemic harms inflicted by corporations but this awareness has rarely led to any effective legal means to prevent and or respond adequately to them Lawyers and legal theorists appear to be stuck asking the same questions and giving the same ineffective answers Part of the problem this book maintains is the relative lack of theoretical interrogation into the nature of corporations as responsible moral agents To break this stasis this book draws upon philosophies of wickedness in order to ask whether or not corporations are or can be evil With contributions from a range of different disciplines including law cultural theory theology and philosophy it offers a novel account of how and why corporate wrongs are caused whilst exploring the extent to which the legal system itself facilitates such wrongdoing The book targets a broad international audience with research interests in corporate crime This will be of particular interest to those within the legal discipline including corporate law criminal law corporate crime and law and humanities scholars Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial NoDerivatives CC BY NC ND 4.0 license

Wage Slave's Escape Michael Ballard, 2015-01-06 Hi there My name is Bettina Masters It is now the winter of 2212 I realize for you my story may seem strange and almost entertaining All the same in the spirit of all seriousness I should tell you this is not the reason for my writing this The reason I must set these events down as part of the archival record is a pressing urgency to narrate what happened to me and to the people I knew over three crucial days in 2207 which profoundly changed my life as well as all of yours

Jet, 2002-05-20 The weekly source of African American political and entertainment news

Corporate Accountability under Socio-Economic Rights Jernej Letnar Čerňič, 2018-08-14 In recent decades corporations have increasingly accepted that they have obligations to respect the socio economic rights of individuals whose rights to livelihoods education food health housing and water are affected by the actions of corporations on a daily basis Despite this it is often difficult for victims to bring corporations to court for violations of their socio economic rights Domestic constitutional systems provide at best fragile and limited protections against adverse corporate activities while international responses have been lacking in creating obligations and accountability for corporations under socio economic rights The urgency of bolstering corporate accountability for socio economic rights is therefore apparent In light of this this book asks whether corporations are required to observe socio economic rights and if they are accountable for any violations In doing so it identifies and analyzes the theoretical foundations and the existing scope of corporate accountability arising from socio

economic rights at both national and international levels Through careful analysis Jernej Letnar erni exposes the stark need for greater clarity in the obligations and accountability of corporations advocating a normative framework for corporate accountability for socio economic rights in national legal orders which builds on existing mechanisms **Colonialism, Slavery, Reparations and Trade** Fernne Brennan,John Packer,2012-03-12 Colonialism Slavery Reparations and Trade Remediating the Past Addresses how reparations might be obtained for the legacy of the Trans Atlantic slave trade This collection lends weight to the argument that liability is not extinguished on the death of the plaintiffs or perpetrators Arguing that the impact of the slave trade is continuing and therefore contemporary it maintains that this trans generational debt remains and must be addressed Bringing together leading scholars practitioners diplomats and activists Colonialism Slavery Reparations and Trade provides a powerful and challenging exploration of the variety of available legal relief type economic based and multi level strategies and apparent barriers to achieving reparations for slavery *Reparations and Anti-Black Racism* Angus Nurse,2021-12-13 Police shootings and incarceration inequalities are two examples of the legacy of slavery in the US and UK Offering a criminological exploration of the case for slavery and anti black racism reparations in the context of enduring harms and differential treatment of black citizens this book refutes the policy perspectives that oppose reparations **Library of Congress Catalog: Motion Pictures and Filmstrips** Library of Congress,1968 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1973 *Catalog of Copyright Entries* Library of Congress. Copyright Office,1973

Decoding **Slave Corp**: Revealing the Captivating Potential of Verbal Expression
