When Angels Sleep Mark Griffin, 2019-11-28 A thrilling new talent PETER JAMES Creepy twisted and gripping SUN Dark compelling and expertly paced M W CRAVEN

_____ On a cold winter's morning the body of a young boy is discovered in Epping Forest The body is pristine and peaceful his head resting gently on a pillow an angel pendant clenched in his small fist It is a murder as carefully planned as it is brutal and there's one person DI Bishop needs back on his team to help solve such a calculated crime Holly Wakefield criminal psychologist for the Met Police is better than anyone Bishop knows at getting inside the brains of psychopaths But with the body count rising it's going to take all their strength and resolve to stop the serial killer before any more angels are put to their rest A breathtaking page turning thriller perfect for fans of Mark Billingham Stuart MacBride and Robert Bryndza _____

What readers are saying Wow An astonishingly gripping novel that grabbed me by the throat from the get go Awestruck I finished this book with shaking hands and a pounding heart Edge of your seat stuff Simply brilliant A dark riveting and absolutely compulsive must read I read it in one sitting as I couldn't wait to find out how it would end Absolute must read you won't be disappointed Total page turner from start to finish An immensely satisfying read and an absolutely gripping thriller Unputdownable would highly recommend Amazing I read it in a day What a brilliant read full of tension as the investigation gains pace great characters dark humour and grips you right from the start to the end Mark Griffin strikes again Phenomenal The writing is more expertly crafted drawing you deeper into the darkness and walking with the characters as the desperate events unfold Another masterpiece from Mark Griffin Such a thrilling read that I couldn't put it down Tightly plotted intricate twists and turns very human characters **Goodbye Planet Earth** Rich

Giesbrecht, 2021-11-08 The novel Goodbye Planet Earth provides close looks at the personalities of human characters in a not too distant future Their situations and the future conditions of the entire world take a giant step into the only remaining choices that might need to be faced if many humans today ignore current conditions The characters are confronted with ever changing and unforeseeable challenges beyond imagination **Blue Ashes** Jean-Paul Daoust, 1999 Few taboos are left to

incorporate into the literature of the gay world Nearly everything has been said sensationalized exploited done and redone sometimes well sometimes self indulgently But one taboo sex between adults and children has received little attention from serious writers for a very good reason most people gay or otherwise find it morally repugnant Incredibly Jean Paul Daoust has turned a relationship of this kind into hypnotic poetry The book is unique in its sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years The boy s age is used like a leitmotif recurring on nearly every page of the poem as though to remind the reader of how unique the experience is whether between straight persons or gay Because of the critical age difference between manhood and childhood it is not just another love story It is an epic melodrama of passion love betrayal and cruelty that is related here in obsessive often hallucinatory poetry but more importantly it is all seen through the eyes of a child who is not only a victim as we might readily suppose but an aggressor as well Gay literature will never be the same after this book Daniel Sloate

God's Faith Ronald Artis,2001-06-08 The bible says If you have faith as a grain of mustard seed you shall say unto this mountain Remove hence to yonder place and it shall remove and nothing shall be impossible unto you St Matthew 17 20 Praying on this scripture the Holy Spirit laid on my heart to research what God s Faith is made of which is Hope and Love the greatest being Love Hence on May 25th 2000 the title God s Faith came to my mind and on 12 11 00 the book was written

Beep Beep: On being a john Henri Molineaux,2021-07-30 The author examines the controversial subject of the relationship between prostitutes and their customers from a different perspective from that of the john This book tells of how

and why explorations lead to adventures that lead to drastic changes The telling is raw and vivid as the women conduct their business and the man ventures into their anomie world of sex drugs violence and homelessness As we dip into the lives of the women he dates the narrator s own troubled mind and history are revealed The buyer of the sex for hire service repeatedly follows his nature as he seeks to find love and romance there instead The otherwise intelligent and resilient man recognizes the folly in that and comes to think of these encounters as fantasy adventures separate and apart from the reality of his everyday life But he finds it increasingly difficult to keep fantasy separate from reality while the torment that ever permeates his being remains and travels with him as he ventures from one realm to the other The reader must always read between the lines to understand things that the narrator does not yet realize
