Peter J. Schmelz

Slushai Amerika:

Walt Whitman & the World Gay Wilson Allen, Ed Folsom, 1995 Celebrating the various ethnic traditions that melded to create what we now call American literature Whitman did his best to encourage an international reaction to his work But even he would have been startled by the multitude of ways in which his call has been answered By tracking this wholehearted international response and reconceptualizing American literature *Walt Whitman and the World* demonstrates how various cultures have appropriated an American writer who ceases to sound quite so narrowly American when he is read into another culture s traditions **Life and Work of Walt Whitman** Moris Mendel'son, 1976 [Profiles of a Lost World](#)

Hirsz Abramowicz, 1999 Together the selections provide a blend of social and personal history and a window on a lost world

The Sea Runners Ivan Doig, 2013-07-16 In 1853 in the farthest outpost of the Czar s empire four Scandinavian indentured servants seven year men no better off than slaves resolve to escape from Russian Alaska They steal an Indian canoe and point it south toward Astoria in Oregon twelve hundred miles away This novel of audacity is based on a historical incident discovered by the author and transformed by his imagination into a sustained sweep of adventure The four sea runners must weather the worst the ill named Pacific can throw at them and must weather their own fierce squalls too as day upon day guided as much by instinct and determination as by map they paddle through the magnificent maze of the Northwest Coast toward the mouth of the Columbia River [Yiddish Theatre](#) Author Joel Berkowitz, 2008-03-06 This collection of essays conveys a broad range of fundamental ideas about Yiddish theatre and its importance in Jewish life as a reflection of aesthetic social and political trends and concerns The contributions cover such topics as the Yiddish repertoire including the purimshpil and the relationship between Yiddish drama and the broader European dramatic tradition the historiography of the Yiddish theatre the role of music censorship both by governmental authorities and from within the Jewish community and the politics of Yiddish theatre criticism Taken as a whole these essays make a significant contribution to our understanding of Jewish literature and culture in eastern Europe and the United States *Sonic Overload* Peter J. Schmelz, 2021 Composers Alfred Schnittke and Valentin Silvestrov brought us some of the most memorable music of the late Soviet Union *Sonic Overload* traces these composers attempts to embrace all aspects of the contemporary soundscape including influences of popular music rock and jazz before they ultimately retreated to more refined sonic structures [The DJ Who "Brought Down" the USSR](#) Michelle Daniel, 2023-04-25 Of the many Cold War radio DJs who broadcast to the USSR Seva Novgorodsev must be near the top of the list A masterful BBC presenter Seva was considered a sage of rock n roll His programs introduced forbidden western popular music and culture into the USSR rendering him an enemy voice and ideological saboteur to the Central Committee of the Communist Party Despite KGB threats and constant media pillorying Seva remained on the air for 38 years acquiring millions of listeners all across the breadth of the USSR and beyond He became a cult phenomenon dismantling the Soviet way of life in the hearts and minds of youth This is the story of Russia s

 America George Brown Tindall,David E. Shi,1997-01 *God Bless Amerika* Martin Agegian,2017-07-28 This true life
 narrative begins during the early years of World War One 1914 1918 In 1915 the Ottoman Government of Turkey brazenly
 embarks on a program of exterminating its Christian Armenian citizens The first recorded genocide of the twentieth century
 continues unabated until the death toll reaches over the one and a half million mark In April 1915 the Turkish government
 dealers in death attack the Armenian community in the village of Khunoos Two American missionaries Dr Bob Thompson and
 his wife Joan become witness to the unimaginable horrors taking place before their eyes Fearlessly they rush to the Armenian
 neighborhoods frantically searching for those still clinging to life Several children and a young boy my father Kegham are
 saved For over a year in the safety of the mission he learns to read and write English The mission s small library and
 especially the National Geographic magazines become a rich source of information Its pages of photographs bring to life the
 endless wonders of America truly a Paradise on Earth In time an overwhelming and irresistible desire to go to America
 gathers momentum The Thompsons filled with foreboding listened to their young charge as he confidently outlines his plans
 The distraught missionaries ply every tact and arguments to dissuade him but to no avail It is a heart rending and painful
 parting as a tragically orphaned teenager clutching a bag filled with apples cheese and bread confidently begins the most
 fateful journey of his life The panorama of unfolding events that follow run the full gamut of life s syllabus of survival hope
 and despair success and failure happiness and sorrow health and sickness life and death Regardless of one s age or
 circumstances this true life story will energize you to never lose sight of your hopes and ambitions and just maybe you too
 will adopt Kegham s lifelong mantra God bless Amerika with or without an accent cxiii
