1870 is a novel by Adolphe Belot Written at the height of his career as a popular playwright the novel proved immensely popular and caused a stir with its depiction of homosexuality Recognized today as an important work of French literature and in the history of sexuality Mademoiselle Giraud My Wife is a highly original frequently funny and ultimately tragic work of fiction from an underappreciated writer of nineteenth century France Having forged a life of success and financial security for himself as a businessman Adrien returns to Paris to find a wife Singularly obsessed with tying his fate to a respectable woman he finds himself struggling to remain realistic in his standards Just when he thinks he will remain a bachelor for the rest of his days Adrien meets the beautiful Paule Giraud a friend of the influential Countess Berthe de Blangy After a brief courtship he marries Giraud only to find himself rejected in the bedroom As he succumbs to jealousy and suspicion Adrien becomes abusive and petulant eventually leaving his wife in Paris for the city of Nice There he meets the Count de Blangy who reveals to the unsuspecting husband the secret of his wife s sexual habits for years she has engaged in a lesbian affair with her friend Berthe Enraged and dumbfounded Adrien hatches a plan with the Count to separate their wives and punish them for their sexual deviancy Tragic and scandalous Mademoiselle Giraud My Wife was a bestselling story of homosexuality told from the point of view of an author who clearly possessed his society s reprehensibly oppressive views on sex and gender Regardless Belot s novel remains an important landmark in the historical representation of homosexuality in literature With a beautifully designed cover and professionally typeset manuscript this edition of Adolphe Belot s Mademoiselle Giraud My Wife is a classic work of French literature reimagined for modern readers **People-led Urban Development in Vietnam**

Hoài Anh Trần,Ngai Ming Yip,2025-08-08 This book provides an analysis of urban development in Vietnam with a focus on activities carried out by ordinary people Using Hanoi as a case study this book offers a rich ethnographic account of people led development emphasising spatial practices of the emerging middle lower middle and small entrepreneurial classes In this book the concept practice is integrated with Lefebvre s framework of the production of differential space to conceptualise the diverse and seemingly ad hoc space making activities of urban residents situating these in relation to the state s disciplining projects through housing and urban planning Moving beyond a simplistic dichotomised discussion of informality and formality temporality and permanence this book highlights the tensions between the state visions of modernised urbanisation and the everyday space making practices of ordinary people It offers a substantive narrative and an in depth analysis of the power relations social hierarchies and complex interactions that are embedded within the differential spaces created by

diverse interstitial practices in Hanoi As a novel contribution to the literature highlighting the entrepreneurialism of the subaltern and the role of ordinary people in urban development this book will be of interest to researchers of Vietnam s urban development Southeast Asian Studies Urban Studies and the Global South      **Government Aid to Home Owning and Housing of Working People in Foreign Countries** United States.
