contributors to provide a varied critical analysis of this intensely interesting field of study The Handbook offers a comprehensive review within five interconnected areas humanistic and social scientific approaches global and comparative perspectives the relation of media to economy and power media users and elements in the media mosaic ranging from media ethics to advertising from popular music to digital technologies and from Hollywood and Bollywood to alternative media The contributors to The Handbook are from Australia Austria Britain Canada France Guatemala India Japan the Netherlands South Korea and the United States Each contributor offers a unique perspective on topics broad in scope The Handbook is an ideal resource for university media researchers for faculty developing new courses and revising curricula and for graduate courses in media studies It is also a necessary addition to any academic library

Iranian Culture

Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora

Media Perspectives for the 21st Century

Stylianos Papathanassopoulos, 2011-03-17 Media Perspectives for the 21st Century brings together key international scholars to explore concepts topics and issues concerning the communication environment in contemporary democratic societies It combines qualitative and quantitative approaches to provide an interdisciplinary and truly global perspective that reflects the trends theories and issues in current media and communication research The collection raises significant questions about the study of the media by challenging approaches to major media and societal issues and analyses in more depth the range of concerns that shape both the present and the future media landscape and the issues these can create for communication It also investigates the main effects of technological developments on the domain of the news media and journalism Divided into two main sections Part I provides accounts of the role of the media in society and deals with agendas that affect the field of communications studies Part II goes on to examine the world of new media and offers analyses on the developments of the 21st century Chapters deal with various dimensions of media from a number of different perspectives and socio political
