**The Smart Woman's Guide to Property Law** Carla Spivack,2020-04-08 The income gap between women and men has gotten lots of attention in the last few decades today women earn seventy nine cents for every dollar men earn But fewer people are aware of the much more serious wealth gap for every dollar in wealth men own women own thirty two cents Thirty two cents Wealth matters Wealth is what gives us a financial safety net when we lose our jobs break up a relationship or divorce we or our dependents become sick or when we

are hit by some other financial crisis It enables us to build security to give our children a future and to retire It is passed from generation to generation allowing wealthy families to stay wealthy over time Wealth can generate income whether through investments in the financial markets or real estate or through funding a startup business and more Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives For these reasons wealth is a better indicator of financial status than income it reveals who is secure and influential and who is not By treating women and men equally without recognizing the gross social and economic advantages that differentiate us the law perpetuates the wealth gap Here Carla Spivack takes readers through a tour of a woman s life stages and the property laws that may apply and hinder their financial independence From living together to marriage from divorce to inheritance the circumstances invite unfair treatment that leaves women out in the cold Understanding how to protect your assets fight for what is fair and increase financial security is increasingly important as the wage gap continues to flourish Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status For all women of all ages here is your guide to keeping your wealth not matter how your relationship fares *The Smart Woman's Guide to Resumes and Job Hunting* Julie Adair King, Betsy Sheldon, 1997 Master the job search game whether you re climbing the corporate ladder switching careers or re entering the workforce after years at home This latest edition gathers the most up to date information tips secrets and advice on resume writing job seeking interviewing and salary negotiations and features updated sample resumes *Be Financially Smart: The Modern Woman's Guide To Money* Nita Menezes, 2024-09-03 A guide to dealing with money and personal finance written especially for women In India a country where only 27 per cent of the population is financially literate as much as 80 per cent of Indian women struggle with personal finance What keeps women from being financially empowered What are the psychological barriers that come in the way of women managing their own finances and handling money Especially when traditionally it is women who have managed household budgeting In *Be Financially Smart The Modern Woman s Guide to Money* financial advisor and thought leader sets out to answer these questions and provide actionable steps to overcome the challenges women face Not only does she address the psychology of money but she also provides advice on the concrete steps and strategies that women can use to become financially literate and independent and through this live empowered and fulfilling lives A guide that is easy to read and implement this is the only book every woman needs to be financially smart *Every Woman's Guide to Career Success* Denise Dudley, 1989-09-01 *Career Resource Manual* , 1997 *Women Leaders* Genevieve H. Brown, Beverly Irby, Dr. Shirley A. Jackson, 2012-02-01 *Women Leaders Advancing Careers* recognizes that while the majority of students enrolled in educational leadership preparation programs continue to be women women s advancement to top school executive roles is still not comparable to that of men Despite significant gains in the past decade the biased treatment of women continues to be a barrier to their advancement to key administrative positions The authors in *Women Leaders Advancing Careers* have contributed

significantly to the growing body of literature aimed at assisting the career advancement of women Their research indicates that the concepts presented herein are critical to women s leadership preparations advancement and success Women Leaders Advancing Careers melds history theory research and practice to provide guidance to aspiring women administrators in developing a career path and in attaining and successfully performing in executive roles
