**BOOK JACKET**     *The Eighteenth-Century Novel and the Secularization of Ethics* Carol Stewart,2016-03-23 Linking the decline in Church authority in the late seventeenth and early eighteenth centuries with the increasing respectability of fiction Carol Stewart provides a new perspective on the rise of the novel The resulting readings of novels by authors such as Samuel Richardson Sarah Fielding Frances Sheridan Charlotte Lennox Tobias Smollett Laurence Sterne William Godwin and Jane Austen trace the translation of ethical debate into secular and gendered terms Stewart argues that the seventeenth century debate about ethics that divided Latitudinarians and Calvinists found its way into novels of the eighteenth century Her book explores the growing belief that novels could do the work of moral reform more effectively than the Anglican Church with attention to related developments including the promulgation of Anglican ethics in novels as a response to challenges to Anglican practice and authority An increasingly legitimate genre she argues offered a forum both for investigating the situation of women and challenging patriarchal authority and for challenging the dominant political ideology

*The Immortal Story of Zeebrugge & Ostend* Herbert Cecil FERRABY,1920     **Pocket Battleship: The Story Of The Admiral Scheer** Theodor Krancke,Jochen Brennecke,2016-01-18

The exciting account of the famous German battle cruiser which sank 152 000 tons of Allied shipping A LUCKY SHIP The Germans called her their lucky ship the heavily gunned heavily armoured Admiral Scheer sister ship of the ill fated Graf Spee and the Deutschland With an operational range of 19 000 miles she quickly became a nightmare to the British Admiralty This is the dramatic story of one of the most successful fighting ships in the German Navy told by two German officers who commanded her It also contains the thrilling account as seen for the first time through German eyes of the sinking of the Jervis Bay This lightly armed auxiliary cruiser went down with all guns blazing in a daring and gallant attempt to protect her convoy from the mighty dreadnought This story of a great raider searching out enemy commerce under the nose of powerful naval forces is always enthralling N Y Herald Tribune A first rate account of warfare at sea Cleveland Plain Dealer Gives an unusual glimpse into what the Nazi side of the war was like Chicago Tribune *The Children's Story of the War* Edward Parrott,1918 **Mary Shelley's Early Novels** Jane Blumberg,2016-07-27 Mary Shelley's Early Novels seeks to redress the commonly held view that Mary Shelley was simply another mouthpiece for her husband Percy Bysshe Shelley Her most challenging and ambitious novels Frankenstein Valperga and The Last Man are examined in the light of her intellectual relationship with Percy Shelley We see the way in which these novels reflect her gradual rejection of his radical tenets in an assertion of her own intellectual and ideological independence Latin American Novels of the Conquest Kimberle S. López,2002 The fictionalized explorers and conquistadors represented in this corpus all identify with certain aspects of Amerindian culture significantly those elements that are most distinct from European culture such as cannibalism and human sacrifice but also feel the need to distance themselves from these others in order to protect their own European cultural identity In most cases the conquistadors themselves are represented as outsiders within the enterprise of imperialism due to ethnic religious or sexual differences from the norm This representation turns the gaze inward toward the other within European culture underscoring the complex origins of Latin American cultures in the violent encounter between the Amerindians and the conquistadors By examining these issues Lopez's Latin American Novels of the Conquest illuminates the ways in which Latin American novelists used their literary imaginations to embody their ambivalence regarding their own transcultural heritage as children of both the colonized and the colonizer BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
