Eartha Cummings wasn't ready. To save several elderly people at a job she'd just resigned from, from a fire that trapped them in a building they'd been abandoned at. Or to meet a sexy firefighter that appeared out of nowhere who would protect her and her charges from a firestorm. All they have to do is to survive the next twenty-four hours. And then some. Destruction is ugly and beautiful. Mac Saxton was doing his job when he came across a handful of people and their nurse trapped at the convalescent home. Left there to die, there was no choice. He would keep them safe from the wildfires decimating everything around them. With Eartha, he watched a little part of the world come apart. But was it the end of the destruction or the beginning of something else?
