Poems of Devotion Luke Hankins, 2012-11-30 Poems of Devotion is a collection of the finest recent poems in the devotional mode which the editor examines in detail in the introductory essay The seventy seven poets collected here demonstrate the ongoing vitality of poetry as a spiritual practice in the long tradition of poets psalmists and mystics from the East and West This is an anthology that will prove deeply rewarding in the classroom at home or in the library of your religious institution *Devotional Poems of the heart* Dr. Stewart Snook, 2011-11-04 This book is a collection of personal and devotional poems They come from the author's heart They reflect what is meaningful to him Each poem is like a piece of the life God gave me The slice of life that God gives is worth recording Each poem brings out some of the practical truths of the Christian life which the reader may apply to daily life Many of these poems often came to me when I remembered some phrase or saying that my parents or grandparents used The poems follow this order first some favorite poems that I like Then come poems on my personal life my family life and making decisions Then follow poems about special friends teachers and co workers Finally I conclude with some poems on theological concepts that have intrigued me The book is devotional in that it directs the readers hearts to God They include Scripture and seek to help people follow God and see God in the everyday things of life I trust that these lines will lead the reader to a time of reflection prayer spiritual decision and growth *Poetry Devotions* Gabriel Bridgmon, 2017-04-25 Sharing what the Lord has inspired me to write during years of time spent with Him is an honor As you read through these pages you'll be touched as I was by the various topics I was inspired to write a poem about You'll laugh with excitement be enlightened with insight and inspired with encouragement Read expecting the words on the page speak to you as well as they spoke to me **Forms of Devotion in Early English Poetry** Jennifer A. Lorden, 2023-11-02 Jennifer Lorden reveals the importance of deeply felt religious devotion centuries before it is commonly said to arise Her ground breaking study establishes the hybrid poetics that embodied its form for medieval readers while obscuring it from modern scholars Working across the divide between Old and Middle English she shows how conventions of earlier English poetry recombine with new literary conventions after the Norman Conquest These new conventions for example love lyric repurposed as devotional song created hybrid aesthetics more familiar to modern scholars She argues that this aesthetic as much as changing devotional practice rendered later affective piety recognizable in a way that earlier affective devotional conventions were not **Forms of Devotion** reconsiders the roots and branches of poetic topoi revising commonplaces of literary and religious history This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details **The Sacred Lyre, Comprising Poems, Devotional, Moral and Preceptive ... with an Introduction and a Copious Index** Lyre, 1824 *The Middle English Lyric and Short Poem* Rosemary Greentree, 2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love carols and songs and rhymes of everyday life **Poetry Devotion for Attitude Promotion** Robert Anthony

Day,2009-10-20 It s been a long time coming for a dynamic book of poetry such as this The project contains beautiful faith filled biblically related poetry that will touch the hearts of people from all walks of life The poetry is written and expounded upon to reveal the author s beliefs and feelings and when scripture is used it reveals exactly what the bible is saying to people today on a myriad of different topics in our daily living Your soul will be indeed lifted to a higher height touched in such a gentle manner taken to a deeper depth of knowledge and moved beyond mountains while reading this devotional book of poetry and commentary The author sets the tone of this book by being blatantly honest but is fair meek and wise in his approach at explanations He wants you to hear the attitude mindset pulse or disposition of your conscience while reading in hopes that you won t want to put this work down on the coffee table until finished The attitude principles or truths contained in the book are already provided in the Word of God but are uniquely demonstrated through poetry arrangements in the context of having a great Godly attitude through varying situations Although a Christian poetry book these concepts can be read and practiced by everyone from all communities no matter what background all derive from or environment one may have been exposed to as a child youth teen or even an adult This book is full of eye opening messages but whatever is acquired from this work it s the writer s heartfelt desire that you attain something uplifting about a positive latitude of attitudes to help in your daily journey Hopefully these poems will inspire you today to encourage yourself in the Lord God
