Some Ways Of God

John Tillotson

Some Ways Of God:

Some of the Ways of God in Healing Joy Dawson, 1991-07 Joy Dawson has been teaching the Bible internationally since 1970 Her missionary journeys have taken her to over 55 nations and every continent She has taught extensively on television and radio and her audio and video tapes have been distributed worldwide The character and ways of God are the biblical basis of her penetrating teachings for those who are tired of pat answers from isolated Bible verses on the subject of healing Joy Dawson presents a practical balanced perspective In ruthless pursuit of truth on the subject of healing this book directly addresses difficult issues such as why some people are never healed while others who might seem less deserving are healed quickly Numerous personal experiences and a deep probing of Scripture are combined with an unflinching examination of the biblical purposes for illness and healing *Works* John Tillotson, 1717 **Patience—A Theological Exploration** Paul Dafydd Jones, 2022-11-17 What does it mean to exercise patience What does it mean to endure to wait and to persevere and on other occasions to reject patience in favor of resistance haste and disruptive action And what might it mean to describe God as patient Might patience play a leading role in a Christian account of God's creative work God's relationship to ancient Israel God's governance of history and God's saving activity The first instalment of *Patience A Theological Exploration* engages these questions in searching imaginative and sometimes surprising ways Following reflections on the biblical witness and the nature of constructive theological inquiry its interpretative chapters engage landmark works by a number of ancient medieval modern and contemporary authors disclosing both the promise and peril of talk about patience Patience stands at the center of this innovative account of God's creative work God's relationship with ancient Israel creaturely sin scripture and God's broader providential and salvific purposes **The People of God's Presence** Terry L. Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church **100 Ways God Speaks to You - Book 5** Robert A. Avila, 2025-01-14 Robert knows the feeling of a direct demonic attack But the enemy employs the age old trap that destroys men Cheated out of lucrative businesses in Philadelphia he returns to California and enrolls in engineering courses to pursue an engineering degree God's favor is removed Robert struggles to purchase books He walks two miles to and from campus But God guides him down a new path and doors open Dreams continue to fulfill Spiritual battles continue Some stalemate Others he wins But the enemy's greatest gambit does he see it Follow more testimonies as Robert goes through college moves and does something he swore he'd never do Learn more ways God speaks to us guides us and works to align our paths with the perfect life he planned for us before we were born **How God**

Answers Prayer (How to Pray) Elmer Towns, 2011-07-28 What happens when you pray This book does not to tell you how to get answers to your prayers there are thousands of books like that This a radically different book because it approaches prayer from God s perspective Prayer is relationship with God When you understand How God Answers Prayer then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you how it s best for you and when it s best for you Divided into three inspiring sections and bite size chapters filled with full servings of biblical goodness you will learn about the following and much more God answers when you wait in His presence for the answer God can give you a vision of how the answer can come God answers when you yield to His will Use your faith supernaturally to move God s work forward God may allow an obstacle to tell you No it will not happen When God answers your prayer differently from what you expected God may say No I have a better plan for your life Well known author and respected Liberty University dean and professor Dr Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father and brings your relationship with Him to an even more intimate level of love **The Works of the Most Reverend Dr. John Tillotson ...** John Tillotson, 1717 **Controlling Anger** David Powlison, 2010-11-30 What makes you angry Sometimes small things make us angry traffic jams a waiter s mistake or a friend s inattention And sometimes big things make us angry betrayal injustice meanness violence oppression selfishness and lying How do you deal with your anger Do you dump it on those around you Or stuff it deep inside David **Do It God's Way and Get God's Results** Roy Bacon, 2021-07-07 Jesus routinely taught with parables and earthly stories that resonated with people s daily experiences His lessons were personable and memorable and enabled his followers to grasp profound spiritual revelations of the word of God In Do it God s Way and Get God s Results Pastor Roy Bacon emulates Jesus approach He entwines authentic thought provoking anecdotes with each chapter theme to present Biblical truths more lucidly and reveal the benefits of choosing God s way in every aspect of life Throughout the book he examines two alternatives to life s results choosing God s way of doing things or choosing our way The final chapter is a brief portrait of the life of Jesus Christ our greatest example of how to do things God s way and get His results Do it God s Way and Get God s Results is not a how to guide for overnight success but biblically grounded advice for obtaining God s best now and in your future **God in Process Thought** S. Sia, 2012-12-06 One of the controversial issues which have recently come into prominence among philosophers and theologians is how one should understand the term I God It seems that despite the fact that a certain idea of God is assumed by not most people there is a degree of disagreement over the meaning many if of the term God is generally taken to refer to a supreme Being the Creator who is perfect and self-existent holy personal and loving This understanding of God corresponds to what many have either been brought up to believe in or have come to accept as the meaning of this word Neverthe less theists appear to be defending a particular idea of God and to be accusing atheists of attacking another one which does not tie in with the theistic interpretation Cardinal Maximos IV for instance is quoted as saying The God the atheists don t believe in is a God I don t believe in either 2 On the

other hand atheists have been challenging believers to explain clearly what they mean by God because these critics cannot see how that idea can have any acceptable meaning Furthermore theists themselves seem to be divided over the issue H P Owen in his book Concepts of Deity shows quite convincingly that there is a bewildering variety of concepts of God among theists One has only to ask around for confirmation of this observation
