Some Aspects Of Religion Politics In I:

Some Aspects of Religion and Politics in India During the Thirteenth Century Khaliq Ahmad Nizami, 1974

Essays on Secularism and Multiculturalism Tariq Modood, 2019-04-25 Whether the recently settled religious minorities Muslims in particular can be accommodated as religious groups in European countries has become a central political question and threatens to create long term fault lines In this collection of essays Tariq Modood argues that to grasp the nature of the problem we have to see how Muslims have become a target of a cultural racism Islamophobia Yet the problem is not just one of anti racism but of an understanding of multicultural citizenship of how minority identities including those formed by race ethnicity and religion can be incorporated into national identities so all can have a sense of belonging together This means that the tendency amongst some to exclude religious identities from public institutions and the re making of national identities has to be challenged Modood suggests that this can be done in a principled yet pragmatic way by drawing on Western Europe s moderate political secularism and eschewing forms of secularism that offer religious groups a second class citizenship

Religion, Politics and Nation-Building in Post-Communist Countries Greg Simons, David Westerlund, 2016-03-03 The increasing significance and visibility of relationships between religion and public arenas and institutions following the fall of communism in Europe provide the core focus of this fascinating book Leading international scholars consider the religious and political role of Christian Orthodoxy in the Russian Federation Romania Georgia and Ukraine alongside the revival of old indigenous religions often referred to as shamanistic and look at how despite Islam s long history and many adherents in the south Islamophobic attitudes have increasingly been added to traditional anti Semitic anti Western or anti liberal elements of Russian nationalism Contrasts between the church s position in the post communist nation building process of secular Estonia with its role in predominantly Catholic Poland are also explored Religion Politics and Nation Building in Post Communist Countries gives a broad overview of the political importance of religion in the Post Soviet space but its interest and relevance extends far beyond the geographical focus providing examples of the challenges in the spheres of public religious and social policy for all transitional countries
