Some Instances Of Spirit Return:

Japanese Rainmaking and other Folk Practices Geoffrey Bownas, Pauline Brown, 2013-10-11 The ritual of rainmaking is one of half a dozen Japanese folk practices and festivals described in this book The story of rainmaking ceremonies begins with personal experience and then draws on the work of Japanese folklorists to record significant local variations and to construct a general account of the history and purpose of the ceremony Field research was conducted during study visits to Kyoto to Tenri in Nara Prefecture and to Shiga Prefecture The chapter order follows the year cycle from New Year via early summer purificatory festivals and rainmaking ceremonial to the feast of Bon which with New Year ceremonies divides the year Alongside these community or public rites are described private or family rituals concerned with birth marriage and death The introductory chapter relates aspects of Japanese culture myth and language to the constant features of folk practice recorded or extant in 1950s Japan Originally published in 1963

Some Important Cases of Conscience

Answered Samuel Pike, Samuel Hayward, 1762 *My experiences while out of my body : and my return after many days* Cora L. V. Richmond, 2025-03-02 In *My Experiences While Out of My Body And My Return After Many Days* Cora L V Richmond presents a profound exploration of the intersection between consciousness and the metaphysical realm Written in the late 19th century during a burgeoning interest in spiritualism and the occult Richmond's narrative intertwines personal anecdotes with spiritual insights employing a contemplative and immersive literary style The book navigates themes of transcendence the nature of the soul and the implications of out of body experiences placing Richmond's work within the broader literary context of Victorian spirituality that sought to question the boundaries of human experience and existence Cora L V Richmond an influential figure in spiritualism was profoundly affected by her own encounters with the supernatural Her engagements with mediumship and exploration of the afterlife directly influenced her writing allowing her to present a unique perspective on the ethereal experience of consciousness beyond the physical body Despite the skepticism surrounding her contemporaries Richmond's reflections are imbued with sincerity and a profound curiosity about life beyond death making her a pivotal voice in spiritual literature This book is highly recommended for readers interested in the realms of spiritualism and consciousness studies offering an intriguing lens through which to examine the human experience It invites contemplation of profound questions about existence and spirituality making it a valuable addition to both academic and personal libraries

The Epistemology of Spirit Beliefs Hans Van Eyghen,2023-04-14 This book assesses whether belief in spirits is epistemically justified It presents two arguments in support of the existence of spirits and arguments that experiences of various sorts perceptions mediumship possession and animistic experiences can lend justification to spirit beliefs Most work in philosophy of religion exclusively deals with the existence of God or the epistemic status of belief in God Spirit beliefs are often regarded as aberrations and the falsity of such beliefs is often assumed This book argues that various beliefs concerning spirits can be regarded as justified when they are rooted in experiences that are not defeated It argues that spirit beliefs are not defeated by recent theories put forth by neuroscientists cognitive scientists or evolutionary biologists Additional arguments are made that traditional theistic belief is epistemically linked to spirit beliefs and that unusual events can be explained in terms of spirit activity The book draws on theistic arguments phenomenal conservatism and defenses of religious experiences to argue for the justification of spirit beliefs The arguments draw on examples from various religious traditions ranging from Christianity and Islam to Haitian Vodou and Tibetan Bon The Epistemology of Spirit Beliefs will be of interest to researchers and advanced students working in philosophy of religion religious epistemology ethnography and cognitive neuroscience The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution NonCommercial CC BY NC 4.0 International license

Religious Cases of Conscience Answered in an Evangelical Manner Samuel Pike, Samuel Hayward, 1808

Religion and Architecture in Premodern Indonesia G. Domenig,2014-04-03 In his richly illustrated Religion and Architecture in Premodern Indonesia Gaudenz Domenig investigates the nature of Indonesian ethnic religions by focusing on land opening rituals sacred groves and architectural responses to the custom of presenting offerings Since deities and spirits were supposed to taste offerings on the spot it was a task of architecture to attract them and to guide them into houses where offerings were presented Domenig quotes numerous sources to show that certain material elements of the house were viewed as spirit attractors spirit ladders or spirit pathways Various exotic features of Indonesian vernacular architecture thus become understandable as relics from times when architecture was still responding to indigenous religions practised in the archipelago
