Some Kind Of Magic:

Some Kind of Magic Sonya Moore, 2023-11-11 This is a love story but maybe not the kind you expect It started with an epiphany and a desire to live life more fully One fateful day in 2017 a thirty something American woman up until that point a responsible hard working tax paying citizen decided to leave her home and career and set off to explore the other side of the world That choice led to a three year journey laced with serendipity and unexpected twists of fate that would show her more than she ever could have imagined Joyful and uninhibited this soul nourishing tale of love and adventure intertwined with discovery explores the mystery of life and human nature across cultures and continents from the cloud fringed mountains of Myanmar to the pristine beaches of southern France Sometimes hilarious occasionally shocking always honest this deliciously told travel memoir entertains and captivates while examining synchronicity choice and destiny the roots of happiness and multiple facets of love against a vivid backdrop of some of the world s most beautiful and little known places
