Community in the Digital Age Andrew Feenberg, Darin Barney, 2004-07-26 Is the Internet the key to a reinvigorated public life Or will it fragment society by enabling citizens to associate only with like minded others Online community has provided social researchers with insights into our evolving social life As suburbanization and the breakdown of the extended family and neighborhood isolate individuals more and more the Internet appears as a possible source for reconnection Are virtual communities real enough to support the kind of personal commitment and growth we associate with community life or are they fragile and ultimately unsatisfying substitutes for human interaction Community in the Digital Age features the latest most challenging work in an important and fast changing field providing a forum for some of the leading North American social scientists and philosophers concerned with the social and political implications of this new technology Their provocative arguments touch on all sides of the debate surrounding the Internet community and democracy *Grace in a Shattered Place* Stephanie L. McWhorter, 2017-07-21 Life has a way of breaking us into pieces It can chip away at the soul with each loss failure and disappointment And with every chipped away piece it can leave us sinking deeper and deeper into a pit of discouragement and despair Grace in a Shattered Place offers comfort to the weary and discouraged soul as it opens the door to a new perspective on shattered dreams shattered hopes and even shattered faith From the very beginning Stephanie breaks down the wall of spiritual clichés and comes directly for the reader's heart Through her words she takes the reader by the hand looks them in the eyes and makes a pact to just be real From the place of real Stephanie empathizes with the reader's brokenness while she gently ushers the reader back to a place of hope by suggesting that grace isn't only found in the getting up but in the looking up
