Somebody Stole The Pea Out Of My Whistle:

Getting Open Tom Graham, Rachel Graham Cody, 2011-02-22 A striking and honest portrait of a man overcoming racism in a place that barely acknowledged its existence Publishers Weekly Bill Garrett was the Jackie Robinson of college basketball In 1947 the same year Robinson broke the color line in major league baseball Garrett integrated big time college basketball By joining the basketball program at Indiana University he broke the gentleman s agreement that had barred black players from the Big Ten college basketball s most important conference While enduring taunts from opponents and pervasive segregation at home and on the road Garrett became the best player Indiana had ever had an all American and in 1951 the third African American drafted in the NBA In basketball as Indiana went so went the country Within a year of his graduation from IU there were six African American basketball players on Big Ten teams Soon tens then hundreds and finally thousands walked through the door Garrett opened to create modern college and professional basketball Unlike Robinson however Garrett is unknown today Getting Open is more than just a basketball book In the years immediately following World War II sports were at the heart of America s common culture And in the fledgling civil rights efforts of African Americans across the country which would coalesce two decades later into the Movement the playing field was where progress occurred publicly and symbolically Indiana was an unlikely place for a civil rights breakthrough It was stone cold isolationist widely segregated and hostile to change But in the late 1940s Indiana had a leader of the largest black YMCA in the world who viewed sports as a wedge for broader integration a visionary university president who believed his institution belonged to all citizens of the state a passion for high school and college basketball and a teenager who was as nearly as any civil rights pioneer has ever been the perfect person for his time and role This is the story of how they came together to move the country toward getting open Father daughter authors Tom Graham and Rachel Graham Cody spent seven years reconstructing a full portrait of how these elements came together interviewing Garrett s family friends teammates and coaches and digging through archives and dusty closets to tell this compelling long forgotten story **Somebody Stole the Pea Out of My Whistle** Max Knight, 1995-09-01 **Manolito Four-Eyes** Elvira Lindo, 2009 Nobody knows me as Manolito Garca Moreno not even Big Ears Lopez and he s my best friend even though sometimes he can be a dog and a traitor and other times a dog traitor he s still my best friend and he s a whole lotta cool In Carabanchel that s the name of my neighborhood in Madrid in case I haven t told you everyone knows me as Manolito Four Eyes Don t try to be different says Manolito s mother But he can t help it he doesn t have to try Whether he s fighting over the One and Only Susana trying not to fight with Ozzy the Bully telling his entire life story to the school psychologist or discovering the true meaning of World Peace ten year old Manolito is a real original As he d say in the worldwide world there s nobody like him And for the first time this best selling phenomenon from Spain is available in English Great Lakes and Midwest Catalog Partners Book Distributing, 2002 On the Mersey Beat Michael Brogden, 1991 A different kind of police history this book tells the story

from below from the rank and file officers trapped between the authoritarian dictates of their superiors and a realistically distrustful public Historically the major police mission has been to keep the streets clean of any group young people vagrants bookies that challenged by their presence and demeanor the moral mandate of policing According to this oral testimony police work in Britain was traditionally one of policing strangers by strangers Recent accounts of community policing have no historical pedigree This account of between the war policing dicusses the effects of the Police Strike of 1919 on its participants considers the ramifications of policework on family life and documents the tedium of lonely beat work It discusses the relationship between City Police industrial workers and ethnic minorities and recounts in individual testimony police interaction with bookies and prostitutes and the pettiness of CID work This in depth study will be of interest to students and scholars of criminology sociology history and police studies

Men of Affairs Roland Pertwee,2019-12-20 In Men of Affairs Roland Pertwee crafts a riveting narrative set against the backdrop of the early 20th century that explores the intricate dynamics of power and influence among the political elite With a distinctive literary style that fuses sharp dialogue and acute character studies Pertwee delves into the psychological complexities of men who inhabit the world of statecraft The novel offers a keen social commentary on the moral ambiguities of ambition and the burdens of leadership reflecting the turbulent atmosphere of an era marked by geopolitical tensions and the shifting sands of public opinion Roland Pertwee a seasoned playwright and novelist is well acquainted with the subtleties of human relationships and the theater of politics His background in the performing arts has endowed him with an exceptional ability to create vivid characters and engaging plots Pertwee s experiences in a rapidly changing society profoundly inform the themes of Men of Affairs as he scrutinizes the facades behind which these influential figures operate thereby challenging the reader to confront the ethical dimensions of power This compelling work is a must read for anyone interested in political literature social psychology and the enduring questions of morality that govern human behavior Pertwee s incisive prose and captivating storytelling will resonate with readers offering an insightful glimpse into the lives of those who shape our world

Men of Affairs Roland Pertwee,1922

Are We There Yet? Tips and Tales from a "Full Timer - Professional Tourist" Randy Badeaux,2006-02-28 I had gone on many vacations mostly in the southeastern United States but I wanted to try to see it all I found out that there were people who went on vacation and never came back I wanted to be one of those people I wanted to become a Professional Tourist and I did I have described some of the things that happened along the way and some how to tips for those who share in the spirit of adventure in wanting to know what is over the next hill and around the next curve in the road and for those who have heard the immortal question while heading up the highway Are we there yet
