Somebodys Husband:

Somebody's Husband Robbi Renee, 2024-12-24 A grieving doctor and a nurturing professor join forces on a potentially groundbreaking medical study that sparks a profound connection neither saw coming in this unconventional romantic drama from the author who brought you the book club favorite *Somebody's Wife* Dr Dresden Xavier moved his family back to his hometown of Monroe City after an unfortunate tragedy Searching for an escape from the reality of grief and depression Dresden buries himself in a grueling medical research project that could yield life changing results What was supposed to be a short term partnership with the professor of nursing at Monroe University quickly morphs into a case study of love or maybe just an experiential error Harper Kingsley a loving wife mother and professor sought tenure and a little peace and happiness in her fast paced life In the public eye Harper is a poised perfectionist but behind closed doors she desperately fights to mend the broken threads of her feeble family Lies sickness and secrets that could destroy her family permeate her soul until the healing touch of Dr Xavier changes her trajectory What was supposed to be a clinical research assignment evolves into something much greater and beyond their control

Life Lived Like a Story Julie Cruikshank, 1992 There is pure gold here for those who want to understand the rules of the old ways The book has a convincing sureness an intensity which cannot be denied a strong sense of family Candidly and often with sly humour the three women discuss early white Indian relations the Klondike gold rush the epidemics the starvation the healthy and wealthy times and building of the Alaska Highway Integrity is here and wisdom There is no doubting the authenticity of the voices As women they had power and they used it wisely and through their words and Cruikshank's skills you will change your mind if you think the anthropological approach to oral history can only be dull Barry Broadfoot Toronto Globe and Mail

Partiality Simon Keller, 2013-05-21 We are partial to people with whom we share special relationships if someone is your child parent or friend you wouldn't treat them as you would a stranger But is partiality justified and if so why Partiality presents a theory of the reasons supporting special treatment within special relationships and explores the vexing problem of how we might reconcile the moral value of these relationships with competing claims of impartial morality Simon Keller explains that in order to understand why we give special treatment to our family and friends we need to understand how people come to matter in their own rights Keller first presents two main accounts of partiality the projects view on which reasons of partiality arise from the place that people take within our lives and our commitments and the relationships view on which relationships themselves contain fundamental value or reason giving force Keller then argues that neither view is satisfactory because neither captures the experience of acting well within special relationships Instead Keller defends the individuals view on which reasons of partiality arise from the value of the individuals with whom our relationships are shared He defends this view by saying that we must accept that two people whether friend or stranger can have the same value even as their value makes different demands upon people with whom they share different relationships Keller explores the implications of this claim within a wider understanding of

The History of human marriage v. 1 Edward Westermarck,1922 Talking with Serial Killers: Sleeping with Psychopaths Christopher Berry-Dee,2022-01-06 Bestselling writer and criminologist Christopher Berry Dee turns his attention to a new kind of victim the wives or partners of serial murderers who remained unaware of exactly who they had fallen for until after their other half s arrest or in some cases conviction for multiple murders Sonia Sutcliffe first discovered that her husband Peter was leading a secret existence as the Yorkshire Ripper only when he was arrested The wife of the Hillside Strangler only learned of her husband s crimes when state police smashed down her door in search of him On finding out the truth these innocents often experience a strange kind of guilt for not having recognised the killer in their home as well as having to face the grim reality of betrayal and deceit Christopher Berry Dee speaks directly to killers and their oblivious loved ones to get inside the minds of the men and women who fall for murderers Male Homosexuality in 21st-Century Thailand Jan W. de Lind van Wijngaarden,2021-02-15 This book presents the very first analysis of male homosexuality in modern rural Thailand that is based on sociological anthropological research directly with 25 young same sex attracted men It explores changes in the way men view and describe their sexuality over time by interviewing them three times over a period of around 18 months The men are followed during an important transition in their lives the end of their high school years and the end in most cases of their life as a child with parents or extended family at a rural home Nearly all decided to move to a city to continue their education or to find work Some also had stints with sex work in one of Thailand s well known centers for prostitution For nearly all men this transition brought them into contact with new ideas about gender and sexuality and many experienced an abrupt increase in their opportunities to have sex leading to a readjustment of their moral universes The book presents significant new insights about the Thai sex gender system particularly on how it is affected by processes of globalization and the ascent of the Internet and mobile phones as tools for dating and romance

The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Dr. Solomon Udo Solomon ,2016-03-31 The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel of the Kingdom of God on

Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus
