Overview

Christianity

Christianity known as a religion of forgiveness, love and compassion. This is illustrated through the bible and the teachings of Jesus.

'Blessed the merciful, for they will be blessed' Matthew 5:7.

Christians believe that because God forgave them, they must forgive others. The Lord's Prayer emphasises forgiveness. In the Beatitudes, Jesus taught to show mercy to receive mercy. Jesus forgave the adulterous woman and taught forgiveness in the Parable of the Prodigal Son highlighting the father who forgave his son for sinning and the Unmerciful Servant teaching that we should forgive others in order to be forgiven ourselves. Catholics seek forgiveness at confession praying with a priest.

Islam

Muslims believe the Qur'an says forgiveness is rewarded with peace. They need God's forgiveness and the forgiveness of others. There is no limit to Allah's forgiveness.

'God loves those who turn unto Him in repentance and He loves those who keep themselves pure'

Judaism

Jews believe that it is a mitzvah to not take revenge or bear grudges. For example, in the Torah it states,

'Do not hate your brother in your heart' Leviticus 19:17

They also believe that people are responsible for their own actions, therefore if they do something wrong they must recognise it, regret it and not do it again. If someone has caused harm and sincerely apologised, then the wrong person must forgive them.

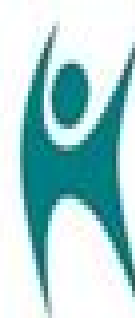

Repentance is a important part of part of the Jewish tradition. Yom Kippur is the Day of Atonement when Jews particularly strive to perform teshuva. It is the one-day set to atone for the sins the previous year.

Humanism

Humanists believe that forgiveness is crucial for human development. They follow the Golden rule to treat others how you would want to be treated. This requires them to forgive mistakes and selfish behaviour and to accept different views.

'Everyone says forgiveness is a lovely idea, until they have something to forgive'

They say that forgiveness can be hard therefore the best we can do is to work to make sure that whatever needs forgiving does not happen again.

Someone To Love One Mans Atonement:

The God Who Loves and Is Loved Christian D. Kettler, 2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God s ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ *The Scandal of Divine Love* Robert P. Vande Kappelle, 2017-10-20 There is no more important topic for inquiry today than the meaning and message of Jesus for in this quest lies the solution to human discontent and despair Examining an array of titles for Jesus found in the New Testament expressions ranging from rabbi and messiah to Wisdom of God Word of God and Lord this study explores why Christology is not simply the study of Jesus Christ but also of the highest and best in us all Who is Jesus Christ and what is his significance for today Was he fully human the perfect human God in disguise or somehow all of these simultaneously The key is to begin where the first Christians began with their experience of Jesus and then to press forward with the development of that understanding in our experience of Christ While *The Scandal of Divine Love* is designed for Christian believers survivors it embraces skeptics and seekers alike mindful that within each of us are multiple voices sometimes affirming sometimes questioning occasionally even denying Whether you consider yourself primarily as skeptic seeker or believer this study encourages you to listen appreciate and cultivate each voice This volume ideal for individual and group study will help you discover anew the magnificence of the life and person known to us as Jesus of Nazareth as guide exemplar and Lord

Gleanings in Bee Culture ,1905 *The Truth Seeker* ,1893 Atonement Margaret M. Turek, 2022-04-16 This book presents the chief insights concerning the mystery of atonement in the works of four theological guides John Paul II Joseph Ratzinger Benedict XVI Hans Urs von Balthasar and Norbert Hoffmann The author argues for the central importance and perennial value of a theology of atonement even as she explains the modern aversion to it The book s central aim is to deepen our understanding of the biblical claim that God shows himself to be love precisely by sending his Son as atonement In this is love not that we loved God but that he loved us and sent his Son as expiation for our sins 1 Jn 4 10 The book develops a compelling vision of atonement as a process that originates from and is engendered by God s own power to love This vision not only takes account of the gravity of sin and its consequences but also provides a clear illumination of the wholly gratuitous radically forgiving passionate and powerful nature of God s redeeming love for mankind Distinct from the majority

of theological accounts of atonement which focus almost exclusively on the role of Christ this book highlights the role of God the Father in the atoning mission of the Son *Topical Analysis of the Bible* Walter A. Elwell, 2012 This imperative resource addresses the need for understanding basic Christian teachings It makes the theological content of the Bible accessible to a wide audience in an easy to follow format Fifteen key Christian doctrines are explored chapter by chapter including The Personal God Sanctification Christian Living Responsibilities to Others and Nature Jesus Christ and more Each of these chapters includes a detailed outline and complete citations This is an unparalleled affordable resource for ministers and laymen alike who want a more in depth resource at their fingertips and who long to be more thoroughly grounded in their faith Special Features Includes approximately 35 000 Scripture references from the popular New International Version

Commentary on the International and Uniform Lessons National Baptist Convention of the United States of America. Sunday School Publishing Board, 1929 **Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God The Holy Bible According to the Authorized Version (A.D. 1611) Frederic Charles Cook, 1881 *God's Design For the Church* Apostle Sharon E. Harris, 2024-06-20 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity Everything else in this world will vanish away but God's Church will last for all eternity now and forever God has structured the Church and everyone must know what that stricture is The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture It is based on what God says with Scriptures that make it plain The information in this timeless book will change a Church a ministry and also change a Believer's personal walk with the Lord It is group worthy as well as individual worthy of study because God has His Blueprint for His Church and it is all hidden in Scriptures and being able to interpret the language of the Author which is the Holy Spirit will lead us in the wealth of Spiritual prosperity The Holy Spirit is the Designer of God's Blueprint for His Church and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation He wants us to know how we are individually and collectively designed and knowing this will transform us into His glorious Church This book will help you recognize your place in the Body of Christ His Church as He works on us individually and collectively Till we all come in the unity of the faith and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fulness of Christ Ephesians

4 13 This book is profitable for individual Church and group studies It will help you see the spiritual construction from beginning to end from start to finish and we will stand in awe of this great Architect the designer of our souls God our Father and the Lord Jesus Christ
