Humankind Rutger Bregman, 2020-06-02 AN INSTANT NEW YORK TIMES BESTSELLER The lively The New Yorker convincing Forbes and riveting pick me up we all need right now People that proves humanity thrives in a crisis and that our innate kindness and cooperation have been the greatest factors in our long term success as a species If there is one belief that has united the left and the right psychologists and philosophers ancient thinkers and modern ones it is the tacit assumption that humans are bad It s a notion that drives newspaper headlines and guides the laws that shape our lives From Machiavelli to Hobbes Freud to Pinker the roots of this belief have sunk deep into Western thought Human beings we re taught are by nature selfish and governed primarily by self interest But what if it isn t true International bestseller Rutger

Bregman provides new perspective on the past 200 000 years of human history setting out to prove that we are hardwired for kindness geared toward cooperation rather than competition and more inclined to trust rather than distrust one another In fact this instinct has a firm evolutionary basis going back to the beginning of Homo sapiens From the real life Lord of the Flies to the solidarity in the aftermath of the Blitz the hidden flaws in the Stanford prison experiment to the true story of twin brothers on opposite sides who helped Mandela end apartheid Bregman shows us that believing in human generosity and collaboration isn't merely optimistic it's realistic Moreover it has huge implications for how society functions When we think the worst of people it brings out the worst in our politics and economics But if we believe in the reality of humanity's kindness and altruism it will form the foundation for achieving true change in society a case that Bregman makes convincingly with his signature wit refreshing frankness and memorable storytelling The Sapiens of 2020 The Guardian Humankind made me see humanity from a fresh perspective Yuval Noah Harari author of the 1 bestseller Sapiens Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction One of the Washington Post's 50 Notable Nonfiction Works in 2020

Women Give Men Too Much Power Charlotte Hall, 2010-04-23 A thought provoking enlightening and empowering read awaits readers especially women as author Charlotte Hall shares how Women Give Men Too Much Power and lose themselves in the process Because some men tend to forget to tell the truth always the author takes on this task to help her fellow females stand up against or let go of things or in this case men that try to destroy and disrupt their lives This book is about real issues that face women and family It gives a perspective focusing on the ugliness that men don't want to confront being the head of the household keeping in laws in check being intimidated by successful women if men would become successful in the things of God they would know how to treat women right loving and respecting her like royalty and more There are only two types of men the faithful and the unfaithful There's no in between And in this book the author talks about purpose and addresses when to run for the hills This is a personally intimate talk woman to woman heart to heart She shares all the important concerns from knowing who the man is the type of man he is the abuse and healing and so much more One of my strongest attributes is the fact that I can take accountability for my failures The people who fooled me who lied to get what they wanted who didn't love me or could care less if I live or die sometimes it hurt At other times I avoided the obvious so I didn't have to deal with it hoping that it would go away but it doesn't Confession will destroy pride and humble you so you can help others not to make the same mistakes says Hall as she explains the reason she wrote this book *Women Give Men Too Much Power* aims to help enlighten uplift inspire heal and move others

The Anatomy of Church Leaders Noel G. Clavecilla, 2020-12-16 The church of our Lord is like a body with

Christ as the Head Since only the Head is perfect the body which is the church is subject to illness or disorderliness just like a human body The body of Christ is composed of people of diverse social cultural and spiritual maturity backgrounds so friction amongst each other is most likely to occur There is no such thing as a trouble free church because all local churches are being led by people who have their own imperfections In some cases these leaders walk in Spirit with pure godly motives while others are controlled by fleshly desires with selfish motives The body of Christ needs godly human leaders to support and maintain its orderliness The victory or failure of a church ministry depends on the church leaders character maturity mindset and practices This book gives the philosophies that every church leader should possess and offers biblical and practical solutions to some of the most common problems that every local church face based on the many years of experience of the author

Conversations with May Sarton May Sarton,1991 With increasing candor and openness May Sarton s conversations have given an intimate view of her honest courageous inner life Best known to her many readers as a novelist and keeper of journals Sarton sees herself pre eminently as a poet In the interviews collected here she speaks forthrightly about herself her independence and her writing Although born in Belgium Sarton is quintessentially American in her choice of solitude on which her personal well being and writing depend She is a modernist who has defined herself as an artist with the occasionally painful recognition that all else must finally be subordinated to her writing Her journal After the Stroke makes clear that when she cannot write she stands on the edge of the abyss of nonbeing These interviews offer Sarton s readers the model of a woman who has supported herself as a writer of achievement who has made her way without the comforts of academic tenure grants or bestseller listings
