Examining the Impact of Trauma Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction

 Cynthia Burack, 2014-02-01 Exposes how ex gay and postabortion ministries operate on a shared system of thought and
 analyzes their social implications A staple of the culture wars the struggle between Christian conservatives and progressives
 over sexuality and reproductive rights continues Focusing on ex gay ministries geared to helping same sex attracted people
 resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that
 decision Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to
 Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women This compassion
 reproduces the sexual ideology of the Christian right and absolves Christian conservatives from responsibility for stigma and
 other forms of harm to postabortive and same sex attracted people Using the democratic theory of Hannah Arendt the
 popular fiction of Ayn Rand and the psychoanalytic thought of Melanie Klein Burack studies the social and political effects of
 Christian conservative compassion Uncommon Love Mary Comm, 2018-08-07 Uncommon Love is a landmark Bible study
 and the first of its kind In a culture where gay rights gay marriage and a surplus of gender issues have recently exploded in
 the media more and more kids are coming out and many of these are from Christian homes with Christian parents who don t
 know what to do how to respond where to draw boundaries or if they even should Scripture which is the foundational basis
 for how to live the Christian life has even been brought into question further confusing the hearts and minds of Christian
