Someplace Surely A Quest For Meaning

Robert Hichens

Someplace Surely A Quest For Meaning:

Someplace, Surely Bryce W. Yourd, 1990-11-01 The marvels of this universe including ourselves demand a reason for being Such is the theme of this thought probing novel But as a reviewer put it When old fires are poked new sparks fly And for this story sparks do just that The problem arises when the MARVELS also demand an examination of OLD concepts in the light of updated intelligence The sparks begin to fly when well entrenched icons are bumped a persistent intruder refuses to snap off his God given MIND In fact the demanding mind is now seen as the best evidence of PURPOSE It also becomes our best tool in expanding strengthening our faith For those of us who can t take the crazy cults scientology scams fundamentalist harangue but for whom the traditional heavenly hosts no longer glorify there must still be a way to spiritual comfort Is it time for a new reformation This down to earth story is a good starting point As one of the determined characters says Our religions philosophies must push on to more pertinent ideas We do so need our Creator but one both heart mind can respect To order contact B W Yourd 10913 Sluice Box Circle Auburn CA 95603 **Forthcoming Books** Rose Arny, 1991

Books in Print , 1977 **A Crisis of Meaning** Steven Schwartzberg, 1996-12-05 For gay men the demands of the AIDS epidemic are enormous and unrelenting Regardless of HIV status all are called on to maintain vigilant safety with sex to face down a cultural stigma greater even than homophobia and to somehow find a way to go forward in a world heavy with loss As exhaustion and grief threaten to overwhelm the activism and optimism of earlier years and with new infections on the rise among young gay men the challenge of finding meaning in a world turned upside down is more than an idle philosophical exercise It is a matter of psychological and perhaps even physical survival In this poignant and uncompromising new book Dr Steven Schwartzberg offers a ground breaking perspective on how gay men and particularly HIV positive gay men find ways to rebuild a world of meaning amid the trauma and uncertainty of the AIDS crisis Eschewing both glib prescriptions for turning tragedy into triumph and theoretical abstractions Schwartzberg grounds his insights in his own experiences as a gay man and as a practicing psychotherapist and in in depth interviews with nineteen men living with HIV Ranging in age from twenty seven to fifty the men include a construction foreman a physician an art historian a waiter a librarian and a licensed massage therapist With candor insight eagerness and a remarkable ability to share of themselves they speak eloquently about how HIV has affected their views of the world their senses of themselves and how they live their lives Interweaving the men s stories with observations from his research and clinical practice Schwartzberg bears witness to the remarkable transformations some men have accomplished and the anguish of meaninglessness that weighs others down He strives to uncover why some view HIV as a catalyst for change or growth while others see it only as punishment And though he passes no judgment on the coping strategies he describes Schwartzberg does insist on the vital necessity of balancing somber reality with healing life sustaining hope He argues that men who opt for too much illusion and too little reality risk shoddy self care and inadequate preparation for the future while those who find no escape from reality may teeter into rage or suicidal

despair Beautifully written with piercing awareness of the enormity of the challenges confronting individuals with HIV this book celebrates the resilience of the human spirit It is both a keen psychological guide and an elegiac chronicle of what life for many has become Gently pointing the way to an oasis of growth strength and love that exists amid the epidemic s bleak terrain of loss it is essential reading for people living with HIV for their friends families and the mental health professionals who care for them and for all gay men grappling with the enormous changes AIDS has brought to a community under siege

A modern Circe, by the author of 'Molly Bawn'. Margaret Wolfe Hungerford,1887 Lippincott's Series of Select Novels
,1887 **A Modern Circe** Duchess,1887 **A Modern Circe** Margaret Wolfe Hungerford,1888 *The Woman with the Fan* Robert Hichens,1904 IN a large and cool drawing room of London a few people were scattered about listening to a soprano voice that was singing to the accompaniment of a piano The sound of the voice came from an inner room towards which most of these people were looking earnestly Only one or two seemed indifferent to the fascination of the singer A
