Searching for God in Britain and Beyond David G. Reagles, 2022-01-31 When writer and media personality Malcolm Muggeridge unexpectedly converted to Christianity in the 1960s fans around the world flocked to his devotional writings and television programs about his spiritual journey Because Muggeridge was critical of institutional Christianity and initially refused to join a church he inspired a special affinity in those who were disillusioned with mainstream religious authority Readers from around the world sent him deeply personal letters describing their spiritual and religious lives revealing their anxieties doubts and hopes about the future of Christianity In Searching for God in Britain and Beyond David Reagles draws on nearly two thousand of these remarkable fan letters to explore the thoughts and feelings of ordinary Christians in a time of cultural and religious upheaval In these candid letters Muggeridge's correspondents wrestled with their experiences of faith and doubt the value of institutional religion uncertainties about permissiveness in society the proper role of Christian social activism and the forces of secularism For these fans and skeptics alike reading and writing were a vital means of working out their religious identities and convictions amid the supposed decline of Christendom Searching for God in Britain and Beyond provides a rare and fascinating glimpse into the inner worlds of ordinary Christians in the 1960s and 1970s revealing how the secularization of postwar society felt to average people

Stones of Remembrance Liz Dunsdon, 2017-05-26 There is a bell that hangs on the wall in the chemo room Patients get to ring this bell when all their rounds of chemo are completed They ring the bell with such glee and joy Chemo is finished and life can carry on I hate that bell I know that sounds foolish but I really really really hate that bell The doctors told me the second time my breast cancer returned that it had metastasized to my bones and lymph system and so it was incurable I will never get to ring it unless God chooses to do a miracle Instead I sit in the chemo room and stare at the bell and smile when others ring it Some days I want to take the bell and throw it out the closest window and other times it takes all I have to not

go up and ring it and ring it some more I am not sure if I would be ringing it in hope or defiance Such foolishness but I hate hearing that bell ring I smile cheer and clap when someone else rings the bell but inside I hurt The bell makes me angry and I sit and ask God why Why not me Why I am sure that everyone can relate to something in their life they have wanted to do so badly but cant It may be a foolish desire but it is part of who we are **What Hast Thou in the House** Patsy Burge,2008-10 Have you ever had an experience that you knew would be eternally etched in your heart Reviewing yourself on video watching one lit match in a darkened room and chauffeuring a rat through town are examples of such moments that have carved memories for this writer In *What Hast Thou in the House* Patsy Burge pens short stories about inspirational moments from everyday life that have helped to shape her structural spiritual and carnal houses She encourages us mentally to tour our houses as we read these thoughts from the heart and consider how our talents and possessions can be used in God s service Patsy Burge and her husband Clay reside with their two daughters in south Mississippi where she serves as a Sunday school teacher and a WMU member at a local Baptist church She is the daughter of a Baptist minister and his devoted wife and the youngest of seven children Patsy s interest in storytelling developed while homeschooling her daughters but the stories were not penned until after their graduation These lessons learned from life s experiences and the rearing of two energetic offspring were combined to create an inspirational memento for her family **In the Margins** Shannon T. L. Kearns,2022-08-09 Moving the conversation beyond transgender inclusion to demonstrate the unique and vital theological insights transgender Christians can provide the church Father Shannon Kearns is familiar with liminal spaces He s lived in them his whole life And while his experience as a transgender man has often made it difficult for him to fit in especially in the context of Christianity it has also shaped his perspective in important ways on complicated gender transgressing aspects of theology and Scripture In *the Margins* weaves stories from Shannon s life into reflections on well known biblical narratives such as Jacob wrestling with the divine Rahab and the Israelite spies Ezekiel and the dry bones and the transfiguration of Jesus In each chapter Shannon shows how stories have helped him make sense of his own identity and how those same stories can unlock the transformative power of faith for those willing to listen with an open mind and stand alongside him in the in between *Transformed: 30 Inspiring Devotionals for Women* Naticka Sidney,2010-02-08 Nothing happens until the pain of remaining the same outweighs the pain of change quote by Arthur Burt How does real transformation occur in the life of a believer What s required What are the steps Is real change truly possible Come with me as we explore the word of God and I share with you my own personal journey of being transformed All of these questions and more will be answered in this book as we seek God s heart on transformation This book will encourage you challenge you and prayerfully help you along your journey to a fulfilling relationship with God *The Serious Business of Worship* Melanie Ross,Simon Jones,2011-11-03 The study of liturgy has received criticism from scholars and practitioners alike the academic discipline of liturgiology has been compared to the hobby of stamp collection and proponents for liturgical renewal argue that worship must be made

more accessible and relevant Bryan Spinks has been an important moderating voice in this discussion reminding both academic and ecclesial communities that Christ is made known in the liturgical riches of the past as well as in contemporary forms of the present Inspired by Spinks work this volume brings together biblical historical and theological scholars to discuss the theme of continuity and change in worship Its historical range begins with the early church extends through the Reformation and concludes with a discussion of issues facing contemporary liturgical reform In recognition of the fact that Professor Spinks work has been widely influential in both Europe and the United States the editors have solicited liturgical perspectives from scholars with international reputations on sides of the Atlantic
