

I no longer want to be in a relationship, it's not working out for either of us and I wish to move on. This circle of happy and sad is too much, and our relationship is unhealthy for me despite our efforts. I know how much this is hurting you, and I wish there were a way to do this without hurting you. I don't think badly of you, and want you to move on as well. Please do not come up here this weekend, I would like some time. I am not blocking you, but I will not be responding for a while. As hard as it is, I am confident that this is the right thing for me.

I really think we can fix this with time, I refuse to move on. I won't give up on you, I love you

Does this not hurt you?

Why is it that you're so confident this is the right thing if it hurts?
