Something In My Mind Besides The Everyday Women And Literacy:

Something in My Mind Besides the Everyday Jennifer Horsman, 1990 This book grew out of a belief that the omission of studies about women and literacy is a crucial mistake If we are to challenge the myths of illiteracy we need studies that start from the standpoint of the women who are labeled illiterate or silent We need to listen to women s accounts of their own lives I m even feeling better just learning having something else in my mind besides the everyday Judy I think it s probably pretty strange to anyone that doesn t realize the kind of a life that a battered woman lives I made it my little mini war trying to win battle after battle to get my own little place my own little piece of myself I want to work I want to work at something that I can enjoy getting up in the morning where I think I m accomplishing something where I can get paid a reasonable amount to live on I m asking for the moon and the stars and everything else Alice *Women and Literacy* Susan Imel, 1996
