Something To Hold:

All Things Hold Together in Christ James K. A. Smith, Michael L. Gulker, 2018-01-02 As Christians engage controversial cultural issues we must remember that all things hold together in Christ Col 1 17 even when it comes to science and faith In this anthology top Christian thinkers including Robert Barron Timothy George Stanley Hauerwas Alasdair MacIntyre Mark Noll and N T Wright invite us to find resources for faithful creative thinking in the riches of the church s theological heritage and its worship traditions **In Him All Things Hold Together** Rosemary Poole Morris, 2012-01-16 The book tracks Jesus s story and its implications in prose and poetry in scripture story and song sketches and snippets of essay After starting with a chapter on ways of being with scripture taking it seriously but often not literally and suggestive chapters on God and the Old Testament it moves from Jesus s incarnation through his ministry and passion for the Kingdom of God to his Passion and bodily resurrection These are followed by chapters on what happened next including two chapters on contemporary Christianity the good and the bad of it The take on Jesus as both title and sub title suggest is broad in some ways quite orthodox but insisting on his call for compassion social justice inclusiveness and wholeness for all It s also about Jesus alive and with us now albeit in a different dimension from those with which we are familiar The many meditations are often brief and the poetry is for people and not just for critics and other poets There is much here to think about but it s not an academic tome It can be provocative and often it s just plain fun **Things Hold Together** Branson L. Parler, 2012-10-03 As an Anabaptist John Howard Yoder is often depicted as Christ centered in his theology but with a creation deficient approach to culture In this clearly reasoned study Branson Parler argues that Yoder advocates a trinitarian theology of culture that upholds the continuity between God s work in creation and in redemption For Yoder Jesus humanity makes him directly relevant to culture while Jesus divinity connects him directly to creation Yoder s writings says Parler affirm that Jesus restores and re-establishes the politics of creation In Things Hold Together Parler joins a growing number of writers from outside Anabaptist or Mennonite traditions who are finding resonance with Yoder one of the leading theologians of the twentieth century Interpreters who dismiss Yoder s call to discipleship find comfort in suggesting he lacked a doctrine of creation or in finding him to be at best a heterodox theologian Parler takes the ground away from such critics His book sets the bar for any future reception of Yoder s theology D Stephen Long author of Speaking of God Theology Truth and Language Things Hold Together helps us see that John Howard Yoder was from first to last a trinitarian thinker Parler therefore provides an illuminating context for interpreting Yoder s critique of H Richard Niebuhr Stanley Hauerwas Gilbert T Rowe professor of theological ethics Duke University **All Things Hold Together** Stephen C. Shaffer, 2023-03-21 How can we live faithfully in a world that feels like it is coming apart at the seams In All Things Hold Together Stephen C Shaffer offers an invitation to return to an older more humble and yet more confident Christian faith In Christ all things hold together Apart from him things fall apart The multitude of fractures in our world result from the removal of our center in Christ Worldview is

not a weapon It was meant to mend the fractures opened up by the modern world The recovery of a theological center of a Christian worldview is intended as a way of sewing back together what the modern world is ripping apart Worldview serves to give voice to a way before and beyond the fractures a world we have abandoned in order to rule ourselves All Things Hold Together works to recover this original purpose of Christian worldview and present it as a gift for faithfully navigating our contemporary culture Music William Smythe Babcock Mathews,1892 **To Have and to Hold** Philipp Blom,2004-06-01 This curiously moving history traces the development of collections since the Renaissance through lively portraits of famous collectors The New Yorker From amassing sacred relics to collecting celebrity memorabilia the impulse to hoard has gripped humankind throughout the centuries But what is it that drives people to possess objects that have no conceivable use To Have and To Hold is a captivating tour of collectors and their treasures from medieval times to the present from a cabinet containing unicorn horns and a Tsar s collection of teeth to the macabre art of embalmer Dr Frederick Ruysch the fabled castle of William Randolph Hearst and the truly preoccupied men who stockpile food wrappers and plastic cups An engrossing story of the collector as bridegroom deliriously obsessively happy wed to his possessions till death do us part Wry history Blom s formidable research is an example of the collector s art in itself The New York Times Book Review An admirable attempt to chart the history of an obsession Publishers Weekly An impressive wide ranging book Christopher Tayler Sunday Telegraph Blom s literary cabinet is full of pungent biographies Times Literary Supplement Provocative stimulating and entertaining Huge questions are thrown up on every page of the book but it is also full of jokes unusual and very welcome in a work of such impressive scholarship and elegance of style a sparkling discursive and eclectic book Independent on Sunday Throughout these well documented stories Blom probes the heart and soul of collecting s appeal An intellectual journey worth taking Booklist **Unity** ,1905 **Christian Civilizations** George Shelley Hughes,1924 Insurance World ,1911 *"Ten Days Mission," January, 1875.
