Something Wonderful Right Away:

Something Wonderful Right Away Jeffrey Sweet, 2023-06-27 Discover the behind the scenes story of how The Second City theater created a generation of world class great actors directors and writers In the late Fifties and Sixties iconoclastic young rebels in Chicago opened two tiny theaters The Compass and The Second City where they satirized politics religion and sex Building scenes by improvising based on audience suggestions turned out to be a fine way to develop great actors directors and writers Alumni went on to create such groundbreaking works as The Graduate Groundhog Day and Don t Look Up Many of them also became stars on Saturday Night Live Something Wonderful Right Away features the pioneers of the empire that transformed American comedy This new edition tells even more of the story Included for the first time is an interview with Viola Spolin the genius who invented theater games that were the foundation of improvisational theater Also included are dozens of follow up stories about Mike Nichols Barbara Harris Del Close Joan Rivers Alan Arkin and Gilda Radner plus You Only Shoot the Ones You Love the story of how this book s author playwright Jeffrey Sweet became so involved in the community he covered that he was captured by it Something Wonderful Right Away Jeffrey Sweet, 1987 A brief description of the history and goals of two improvisational comedy groups the Compass and Second City accompanies interviews with past members from Mike Nichols to Gilda Radner **Miss May Does Not Exist** Carrie

Courogen, 2024-06-04 Finalist for the National Book Critics Circle Awards 2024 Miss May Does Not Exist by Carrie Courogen is the riveting biography of comedian director actor and writer Elaine May one of America s greatest comic geniuses May began her career as one half of the legendary comedy team known as Nichols and May the duo that revolutionized the comedy sketch After performing their Broadway smash An Evening with Mike Nichols and Elaine May Elaine set out on her own She toiled unsuccessfully on Broadway for a while but then headed to Hollywood where she became the director of A New Leaf The Heartbreak Kid Mikey and Nicky and the legendary Ishtar She was hired as a script doctor on countless films like Heaven Can Wait Reds Tootsie and The Birdcage In 2019 she returned to Broadway where she won the Tony Award for Best Leading Actress in The Waverly Gallery Besides her considerable talent May is well known for her reclusiveness On one of the albums she made with Mike Nichols her bio is this Miss May does not exist Until now Carrie Courogen has uncovered the Elaine May who does exist Conducting countless interviews she has filled in the blanks May has forcibly kept blank for years creating a fascinating portrait of the way women were mistreated and held back in Hollywood Miss May Does Not Exist is a remarkable love story about a prickly genius who was never easy to work with not always easy to love and frequently often punished for those things despite revolutionizing the way we think about comedy acting and what a film or play can be

The Compass Janet Coleman, 1991-11 The Compass began in a storefront theater near the U of Chicago campus in the summer of 1955 and lasted only a few years before its players including Paul Sills Elaine May Mike Nichols Barbara Harris Severn Darden and Shelley Berman moved on Coleman recreates the time the place the personalities and the neurotic magic

whereby the Campus made theater history in America Annotation copyrighted by Book News Inc Portland OR *The Value of Names and Other Plays* Jeffrey Sweet,2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* Court martial at Fort Devens and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes *The Funniest One in the Room* Kim Howard Johnson,2008-04-01 Nichols and May John Belushi Bill Murray Chris Farley Tina Fey Mike Myers Stephen Colbert For nearly a half century Del Close cocreator of the Harold director for the Second City San Francisco s the Committee and the ImprovOlympic and house metaphysician for Saturday Night Live influenced improvisational theater s greatest comedic talents His students went on to found the Groundlings in Los Angeles the Upright Citizens Brigade in both New York and Los Angeles and the Annoyance Theatre in Chicago But this Pied Piper of improv has gone largely unrecognized outside the close knit comedy community Del was never one to let the truth of his life stand in the way of a good story and yet the truth is even more fascinating than the fiction In his early years he traveled the country with Dracula s Den of Living Nightmares knew L Ron Hubbard before Scientology and appeared in *The Blob* Del cavorted with the Merry Pranksters used aversion therapy to recover from alcoholism and kicked a cocaine habit with the help of a coven of witches And when he was dying Del bequeathed his postmortem skull to the Goodman Theatre for use in its productions of *Hamlet* a final legend that lives on long beyond the death of the father of long form improvisation **Mike Nichols** Mark Harris,2022-02-01 One of The Hollywood Reporter s 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People s top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with *Who s Afraid of Virginia Woolf* and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived

is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf between these two sets of facts explains a great deal about Nichols s transformation from lonely outsider to the center of more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer s art

Revel with a Cause Stephen E. Kercher, 2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times *Revel with a Cause* is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like *MAD* magazine improvisational theater groups such as Second City the motion picture *Dr Strangelove* and TV shows like *That Was the Week That Was* Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity and our heated racial crisis could be productively addressed A vibrant and probing look at some of the most influential comedy of mid twentieth century America *Revel with a Cause* belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture
