Something For The Ghosts:

Something for the Ghosts David Constantine, 2002 The prevailing mood of David Constantine's poetry is one of unease often elegiac or comically edged barbed with pain or tinged with pleasure His new book *Something for the Ghosts* holds a worried and restless balance between celebration and anxiety restraint and longing Before ghosts speak they need a drink of blood according to Homer Several of these poems summon up the dead and give them a voice giving expression to the love and grief that go with them All poetry however private or distant its origins is an attempt to give palpable life to what would otherwise be unapproachable by the senses Every reader gives someone else's poem a new lease of life another metamorphosis in flesh and blood and the poem quickens its new host like the necessary draught that Odysseus gave his ghosts at the mouth of Hades David Constantine's book does not exorcise any ghosts but rather does the opposite making them more vigorous and persistent in their haunting This edition is now out of print but the whole collection is included in David Constantine's *Collected Poems* 2004

Much Ado About Something Bethany M. Sefchick, 2014-08-11 In charge of running the fairy kingdom while her brother and his wife are on an extended vacation Marissa Wexford Princess of the Fairies is having a little trouble balancing the royal household's budgets The upcoming Midsummer Ball is a big deal and she doesn't want to screw it up Then again if her brother wasn't such a lousy bookkeeper she might be able to figure out what she can and can't afford in the way of additional decorations for the party After all she's trying to be a fiscally responsible monarch Now if only she could stop dreaming about her brother's best friend Brutus things might be a little easier Brutus Linnington has been best friends with both Julian and Marissa for as long as he can remember Except that now he feels far more than friendship for Marissa only he's not certain she returns those feelings After all she's referred to him as her brother for years Why would anything make her see him differently now Then one night he catches Marissa in a weak moment when her defenses are down and her wings are exposed Can he make her see that there's more to their relationship than just friendship Or is he doomed to live with a one-sided attraction for the rest of his life
