Something Understood A Spiritual Anthology:

Something Understood Seán Dunne,1995-01-01 Draws on Christian tradition from the Psalms to Julian of Norwich and Thomas a Kempis to St Teresa of Avila and Thomas Merton on world literature of the heart and soul and on Eastern religion and philosophies Sean Dunne is the editor of Cork Anthology *Something Understood* Alison Morgan,2017-03-08 A sequel to the earlier collection *Distilling Life* this new anthology is designed to provide a starting point for reflection on some of the big questions of life things we often avoid talking about or for which we can't quite find the words It is arranged in five thematic sections Seeing Living Loving Trusting and Dying Each section contains about twenty poems or pieces of prose and each includes contributions from a wide range of authors both historical and contemporary Some of the poems are well known others are published here for the first time Designed to be used for personal reflection in poetry groups or read aloud in larger gatherings the book is beautifully illustrated throughout with high quality black and white photographs and drawings *Ecstasy and Understanding* Adrian Grafe,2008-04-03 This collection of research explores the interaction of religious awareness and literary expression in English poetry in the late nineteenth and twentieth centuries Many different types of poetics may be seen to be at work in the period 1875 to 2005 along with various kinds of religious awareness and poetic expression Religious experience has a crucial influence on literary language and the latter is renewed by religious culture The religious dimension has been a decisive factor of modern English poetic expression of the last hundred years or so The religious and mystical dimension of poetry of the period is borne out by the focus on among other things grace and purgation the tension between time and eternity redemption and the demands of eschatology immanence and transcendence and conversion and martyrdom Chapters also explore how church practice and ritual architecture and liturgy play into the poetry of the period This volume offers a comprehensive discussion of this important but often overlooked aspect of modern English poetry
