Vernon McGee: Proverbs-Malachi* John Vernon McGee, 1981 *God's Triple Threat* Greg Carlson, 2010-12 God is destroying the kingdom of darkness God equips and deploys us his saints in this magnificent campaign But the Almighty does not arm us from just a single arsenal of gifts as is commonly supposed Instead he draws from three distinct arsenals abilities leaders and the charismatic gifts The triune God gives triune gifts What are these gifts what are they like and how do they work These three arsenals differ profoundly from one another But the church has not truly discerned this and so a fog of confusion has enveloped the whole subject Confusion brings futility and frustration clarity brings effectiveness and fulfillment Who gives the gifts and to whom When are they given Are the gifts natural supernatural or both Can any Christian operate in any gift Where do the gifts live Can you use them at any time Can you operate in God's gifts at will The answers may surprise you God's Triple Threat An Inquiry into the Spiritual Gifts works carefully step by step to bring clarity to this often confusing subject with exuberant illustrations for application Author Greg Carlson prays that the vision in this book will become a reality in his lifetime So the clock is ticking for you and your church to more fully experience the dynamic of God's threefold gifts **Washington News Letter**, 1907 **The Source** Woodson Merrell, 2008-09-23 Why do I feel so tired and drained You're not alone if you're constantly asking yourself this question Exhaustion is epidemic in America and lack of energy one of the top five complaints to doctors nationwide This is because vast numbers of people have lost their connection with the inner energy that is the source of healing and radiant vitality But now Dr Woodson Merrell shows us that it doesn't have to be this way One of the nation's preeminent integrative medicine specialists Dr Merrell tackles this problem head on with his long awaited first book offering a way to break the fatigue cycle and achieve the abundant energy that leads to true health Here is his uplifting proven program a breakthrough six step 21 Day Plan for how you can become an energy creator rather than an energy consumer The Source is the most comprehensive authoritative and cutting edge health guide available on how to power up your energy your health and your life In his more than twenty years of medical practice Dr Merrell has discovered core concepts about energy that draw on both Western and Eastern medical knowledge and healing practices His plan has helped to transform thousands of people's lives physically mentally and spiritually to allow them to feel better than ever before With myriad paths to energy and wellness Dr Merrell's

Pedrone,2019-05-10 A young man walks along a road leading to the Sea of Galilee Messiahs were plentiful in the first century In Judaism the idea of Messiah referred to a king appointed by the Almighty After the Hasmonean kingdom in the first century and the Roman Jewish wars in the first two centuries the idea of a Messiah expanded The Messiah was considered to be the individual who would deliver the Jewish people from the Roman Empire thus ushering in the golden age of Messiah Now here comes another A leader of a Jewish sect was crucified and there were those who claimed he rose from the grave It does sound a little preposterous Messiahs could fill volumes with their plans and heroics but the obvious questions are Where are they now Where are their followers A man who gathers twelve apparent misfits of society and leads them while he teaches heals delivers evil spirits and raises some from the dead is certainly unique Is he one of the many self proclaimed Messiahs or is he different The faith that this man founded today represents nearly one third of the world s population The Beginning details how this movement started From a small group called The Way to the conversion of a vitriolic Pharisee to meetings with well known political activists the story begins So snuggle up get a nice warm drink and follow The Beginning the early story of Christianity **Miracles : 2 Volumes** Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports [Great Is Thy Faithfulness](#) Our Daily Bread Ministries,Dave Branon,Bill Crowder,Anne Cetas,David McCasland,Julie Ackerman Link,Martin Williams,Joseph M. Stowell,Mart DeHaan,2018-06-29 Great Is Thy Faithfulness is the theme that runs throughout this collection of Our Daily Bread meditations Each was selected to remind you that God is with you in all circumstances and in Him you will find strength for today and bright hope for tomorrow Just as the Scripture based hymn

highlights God's steadfastness these meditations encourage you to trust and thank God through all seasons of life **Just a**
Taste of Heaven David Petts, 2018-12-06 In this easily readable book Dr David Petts shows clearly why we should expect
miracles of healing today He looks at most of the healing miracles in the Bible and draws important lessons from them He
offers a balanced theology of healing that seeks to promote faith for healing without causing discouragement to those who
are not healed Using illustrations from his own experience he gives wise advice on how healing should be practised both in
