Son Of Interflux:

Son of Interflux Gordon Korman, Hansen, Kirk, 1995 Even though his father is Senior Executive Vice President of Interflux Simon leads his high school classmates in thwarting the giant corporation's plan to build a new complex and take over some city land *Son of the Mob 2: Hollywood Hustle* Gordon Korman, 2013-02-01 The fast paced funny sequel to the best selling *Son of the Mob* Vince Luca is in heaven he's off to Los Angeles to attend the University of Santa Monica's film school College should be fantastic and he is more thrilled about being 3 000 miles away from his mob family As it turns out college brings its own problems from other film students moving in on his girl to a kleptomaniac roommate to having to get a job on campus to help pay tuition It's a fair amount to handle though nothing Vince couldn't easily manage if he didn't keep finding himself with unexpected guests from the East Coast It seems Vince's dad may just be ready to expand operations to L A With the popularity of shows such as *The Sopranos* the mafia is a topic of intrigue for young adults The fast paced plot hilarious dialogue and Korman's keen understanding of teen issues made this a bestseller and a critical success **Son of**

Interflux-CC , *The Juvie Three* Gordon Korman, 2013-02-01 Gecko doesn't want to go back to Juvenile Detention but trouble somehow always finds him Graham Gecko Fosse drove the getaway car for a robbery he didn't even know was going down But that doesn't keep him out of Juvie the worst place he has ever been It's a place where its inmates some convicted teenage killers could easily write an encyclopedia on how to inflict pain Thankfully do gooder Douglas Healy shows up giving Gecko a chance to swap the slammer for a halfway house lived in by two other young criminals There are just three crucial conditions the three boys must stay in school and out of trouble all while staying on Social Services good side Or else it's back to Juvie for all of them But Terence seems bent on getting himself into trouble the boys catch him sneaking down the fire escape off to pull another heist If only their fight hadn't gotten physical and Healy hadn't wound up in the hospital with amnesia If only Gecko wasn't falling for a girl whose dad's best friend was the Deputy Police chief And that's just the beginning of their problems One thing's for certain if the boys are found out their second chance will be their last **Don't**

Care High Gordon Korman, 2012-09-01 Gordon Korman's hilarious novel about alienated youth is available again Paul Abrams has just moved from Saskatoon to New York City At first he thinks that Don't Care High is just a funny nickname for his new school Don Carey High But he soon discovers that it's a pretty accurate description The school is run down the student body is apathetic to the point of being comatose and he has to barter for his own locker from Feldstein the locker baron Then Paul meets Sheldon who has a grand plan He gets Mike Otis the most mysterious oblivious and least interested student in the school elected student council president and then uses Mike's name to get things changed Soon the Don't Care students find themselves caring in spite of themselves and the administration is baffled and worried because who IS the mysterious Mike Otis anyway Featuring some of its zaniest characters to date Don't Care High remains a treasured favourite among longtime Korman fans and continues to speak to anyone who is trying to get through high school **More Reading**

A Semester in the Life of a Garbage Bag Gordon Korman, 2012-09-01 A new look for a hilarious classic nobody tells it quite like Gordon Korman Sean Delancey high school basketball star is just an ordinary popular guy until he meets eccentric Raymond Jardine a boy with absolutely no luck Although reluctant at first Sean is drawn into Raymond s wacky scheme to secure a spot on the school sponsored trip to Theamelpos the fabulous Greek island that grants good luck to everyone who visits it Through his friendship with Raymond Sean learns to value individuality and independent thinking And in the book s hilarious climax it is Sean himself who engineers the showdown between the student body and SACGEN the principal s pet project which is a virtually useless Solar Air Current Generating Machine that supposedly powers the high school Smooth skillful writing and an engaging cast of quirky characters will keep readers chuckling to the very end of this Korman classic

Born to Rock Gordon Korman, 2013-02-01 Leo Caraway high school senior president of the Young Republicans club 4 0 GPA future Harvard student had his entire future perfectly planned out That was until the X factor As in Marion X McMurphy aka King Maggot the lead singer of Purge the most popular most destructive band punk rock has ever seen He s also Leo s biological father When Leo discovers that his real father is a punk rock legend he is disgusted Not only is Leo not a punk rock fan but he believes the X factor the Maggot blood that is running through his veins is a dangerous time bomb just waiting to explode And sure enough it does Leo stubbornly defends the unlikeliest of people thereby getting himself falsely accused of cheating on a test Because of the blemish on his record the once star pupil finds his scholarship to Harvard taken away So he hatches the crazy plan of going on tour with King Maggot for Purge s summer revival tour all the while secretly hoping to convince Maggot to pay for his tuition But life on the road is even crazier than Leo ever bargained for and before the summer is out he will finally discover the surprising truth about his dad his friends and most important himself

I Want to Go Home (Novel Study) Gr. 5-6 Ron Leduc, 1999-01-01 I Want to Go Home is the story of a boy s various escape attempts from Camp Algonkian Rudy

Miller is sent to Camp Algonkian by his parents on the misguided advice of the school guidance counselor. There Rudy is determined to become his own man by making snide comments of the camp founder's bow legs, playing chess instead of the scheduled activities, or making a salad for his counselor. At night instead of singing campfire songs, Rudy spends his time planning various escapes from the camp. When a badly planned wager leaves Rudy in charge of the camp for a day, the campers will either kill him or call him a hero. Our Novel Studies provide a teacher and student section with a variety of activities, discussion questions, and answer key to create a well rounded lesson plan.
