Son Of The Day And The Daughter Of The Night:

The Night Child Robert Northam,2024-09-16 Conner David here Again I know you re all probably curious as to how my life has been going of late Especially since the only long term romantic relationship that I ve ever had was with a member of the undead Not exactly Hallmark material huh Well after the dealing with the child vampire Angelika my ex lover Lyria fulfilled her promise to a Boston police detective and moved to parts unknown And she took my nephew Jason with her Jason was dying of leukemia when Lyria saved his life the only way she could By converting him to a fellow blood drinking coffin inhabitant As you might expect my life stabilized some after they left My job was going well My good buddy Razor Rojas was named to head our department And I was done dealing with vampirism forever right Wrong Oh so wrong Seems Lyria and Jason s exploits spilled over into my world once again And Jason wasn t my sweet rambunctious playful and charming nephew anymore The cursed blood streaming through his body had made him a creature of pure evil Wouldn t you know it I was thrust right smack in the middle of dealing with this otherworldly mess once again Except this time one of the lives being put in danger was my own Hope you enjoy reading about my latest escapades

Alan Brown, Brian Brown, 2023-06-26 Art imitates life in Springfield Missouri as former reporter Brian Brown visits his hometown in the early days of the pandemic to interview private investigator Booger McClain for a possible book about the area's most famous missing person's case. Nearly 30 years earlier, two young women who had just graduated from Kickapoo High School along with the mother of one of the girls disappeared without a trace. The search for the three missing women consumed the psyche of the community in the latter half of 1992 and garnered attention from the national press, but it was all for naught. The women were never found, and no one was ever charged with their disappearance. Soon after meeting Detective McClain, Brown quickly learns that this case he was familiar with has haunted the quirky private investigator for three decades. What unfolds are the unnerving details of what is known and heartbreaking speculations of what must have happened. In the end, the investigators find reasons for hope as they grapple with their own limitations in an unforgiving world. Included is an exclusive interview with Janis McCall, thirty-one years after the disappearance of her daughter Stacy.
