Schaefer,2011-02-01 Including a foreword by a woman who once dated him the perverse violent stories poetry and fantastic scribbles of a man convicted in 1972 of murdering two women chart the killer's extreme pathology

Headlock Burl Barer,2015-12-06 In this riotous mystery a Pacific Northwest PI is hired by an ex pro wrestler whose suspicions are hard to prove and hard to follow A real winner Library Journal Jeff Reynolds an author who became a PI to find ideas for books is about to get some new material He's having breakfast with a potential client who tells a long story involving barroom brawls professional wrestlers and prostitutes reveals that this is the first time he's been out of the house in fifteen years and announces that his father was murdered What he wants is for Reynolds to find out whether they're still after him Though when Reynolds asks who they are he refuses to say since Reynolds could be one of them From the New York Times bestselling and Edgar Award winning author Burl Barer and featuring cameos by a few real life mystery authors this is a wildly entertaining PI tale in which it's hard to tell what's deception what's delusion and what's genuinely deadly and all roads lead to McFeely's Tavern in Walla Walla Washington Clever quirky and often outrageous Lee Goldberg New York Times bestselling author of Mr Monk Gets Even Undeniable talent pizzazz and imagination Jack Olsen New York Times bestselling author of Night Watch

Bullyocracy Donald Jeffries,2020-01-03 Bestselling author Donald Jeffries turns his critical eye onto the topic of bullying to show how teachers principals and other school officials invariably side with the bullies in the most egregious cases instead of protecting the victims He also shows how many so called anti bullying activists and nearly all the professional experts excuse bullying and in fact laud sociopathic behavior in general As Jeffries demonstrates this curious phenomenon is due to the power and influence of the social hierarchy and it revolves to a great extent around the enduring popularity of sports Jeffries talked to parents who'd battled a system that logically should have been working for them some of whom lost a child to bullycide the term for children who kill themselves over bullying His investigation into what has become one of the most talked about issues in America is as explosive and controversial as anything he has written

The Vicissitudes of Fortune Bob Sigveland,2017-04-23 Five teenagers from diverse backgrounds are brought together by a war A Japanese a Jew a Native American an African American and a white kid from middle class America form an interdependent relationship in the jungles of Vietnam They become the most highly decorated squad in a war they don't understand but their relationships transcend the social structures of racism formed through historical injustices and they remain best friends for decades Their iconic leader Billy Stone one day finds himself entangled with a Medicare scam dreamed up by his sister's husband For his sister's sake he must find a solution The livelihoods of the others form within the law enforcement communities in their individual and collective quest for justice as they grow from boys to men of great character Even the strongest of character has its flaws but these men are the best of the best and there is only one adversity they cannot overcome From the Selma to Montgomery march the internment camps of WWII the

poverty and desolation of the Pine Ridge Indian Reservation to the estrangement of a father and son and a suicide of great consequence this team of five becomes one At the same time there are takers like Billy s brother in law who infect the American system They need to be brought to justice but the price will be high On the smallest of scales this is an epic tale of how the dream of a world community can become a reality
