Song For Sarah:

The Song of Sarah Charlene Pillow Little, 2011-07-01 For author Charlene Pillow Little the mirror on the wall reflected a sobering message As the signs of aging were obviously growing at a much higher rate than her 401 k she must act quickly but not for a face lift It was time for Sarah to set the record straight and go all the way back to the fifties to the time when she too was wrinkle free young and restless These memoirs are her own unmistakable voice talking about the good the bad and the not so pretty of her journey through life The Song of Sarah presents a touching personal story from 1937 to 2010 beginning with her birth in the thirties when the family physician arrives an hour late Her feisty grandmother assumes the role of emergency MD Growing up petite and scrawny in the fifties and always on the lookout for ways to change her name to the one she feels is truly hers she emerges from each hurdle stronger in character body and mind Though her childhood years were lived in an environment considered poverty stricken the hardships and circumstances served to define more clearly and purposefully certain ambitions and values Told with candor and humor her story is more about the human spirit that wills itself not only to survive but triumph over the long haul a spirit that doesn't accept the notion that life is over after the fiftieth wedding anniversary

Sarah's Song Richard Dinse, 2024-04-30 God promised Abraham a son and would later promise Sarah that she would conceive and bear a son to Abraham and the son would be called Isaac Sarah because she was barren during what we would consider normal childbearing age gave up on God's promise did it her way and gave her maidservant Hagar to Abraham thinking she was fulfilling God's promise The son that was born would be called Ishmael You see Sarah gave up on God's promise That was a big mistake When Sarah was well beyond childbearing age probably in her nineties she conceived and bore a son to Abraham in his old age God's promise was fulfilled Abraham would become the father of many nations and Sarah would become the mother of many nations The birth of Isaac was the miracle that God had long promised Sarah The creation of a new life is a gift from God a miracle to be cherished It is Sarah's song to the world

Song for Sarah Paula D'Arcy, 2009-04 A natural eloquence marks these real letters of a young mother to her child her child in her womb and her child dead She is never sentimental but touchingly sincere in her joy and in her sadness and both under God Sheldon Vanauken author of A Severe Mercy
