Song Of Desire:

Desire by Gender and Genre in Trouvère Song Helen Dell, 2008 Unspoken desire in trouvère song This study brings the songs of the trouvères to an encounter with Lacanian psychoanalytic theories of signification sexual difference and unconscious desire In trouvère song desire functions as a means of generic and genderic differentiation The trouvères distinguished between sexual need or lust and desire the latter usually confined to the masculine voice in high style Less exalted persons in whose company women were already implicitly included appear as incapable of desire in the fin amors register Critics have treated the issue of desire as represented in the courtly chanson but because criticism has followed the trouvères distinction between desire and need discussion of desire has been limited to songs in the courtly register rather than across the system of genres Desire in Lacan's sense that is unconscious desire is present in all genres and voices and this book unearths the unspoken desires of trouvère song by an attention to the characteristic means by which subjects subvert their demands in different genres HELEN DELL is a research fellow in English Literary Studies in the School of Culture and Communication University of Melbourne

The Song Is You Bradley Rogers, 2020-10-15 Musicals it is often said burst into song and dance when mere words can no longer convey the emotion This book argues that musicals burst into song and dance when one body can no longer convey the emotion Rogers shows how the musical's episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers spectators and creators every time the musical bursts into song These radical relationships borne of the musical's obsessions with bad performances of gender and race are the root of the genre's progressive play with identity and thus the source of its subcultural power However this leads to an ethical dilemma Are the musical's progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy The Song Is You shows how musicals return again and again to this question and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers Rogers argues that the discourse of integration which claims that songs should advance the plot has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance Looking at musicals from The Black Crook to Hamilton Rogers confronts the gendered and racial dynamics that have always undergirded the genre and asks how we move forward

Song of Ascension Darin Penzera, 2012-02-08 A book about a spiritual journey within a soul that begins with its fall and ends with its ascension The fall occurring into the abyss between what life is and what life should be the journey undertaken to seek a way out of the dark abyss to the light At some point in our life we all have to go on a great spiritual quest to give our life meaning we may begin in the darkest night or in a twilight period or even on a bright dawn the point we depart from may differ but we all desire to arrive at the same place at a sense of deep meaning for life This book is the light of hope to all those lost in the darkness This book's purpose is to serve for all who read it as the spiritual map showing the way to ascend to life's highest meaning and joy

The Song of The Lord Sitansu

Ghosh,2022-11-17 The Song of the Lord is an interpretation of the Bhagavad Geeta in a newer fashion that was hitherto unknown to the readers and hence the book is a stand out among the gamut of the like discourses The book deserves to be regarded as a pioneering work opening up a new Vista to the readers so far the understanding of scriptural or spiritual tests is concerned The saints and the wise preach know thyself But their counsel fails to elicit the desired results owing to various reasons that are extraneous As you cannot test the sharpness of the edge of an ensheathed sword similarly you cannot know the self encased in the body without transcending your body to which aim this book is to provide you with the key to your endeavor In ultimate consideration life is divine and destined to be a drift in the immeasurable ocean of Ananda Bliss

Song of Songs J. Cheryl Exum,2005-01-01 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum s verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *Song of Songs* Gianni Barbiero,2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole

The Pursuit of Yearning Pasquale De Marco,2025-05-15 In a world where longing echoes through the corridors of the human heart The Pursuit of Yearning embarks on an introspective odyssey into the labyrinth of desire This thought provoking exploration delves into the profound nature of wanting unveiling its intricate tapestry of beauty pain and transformation With eloquence and erudition the author guides readers on a journey through desire s myriad manifestations from its sublime heights to its destructive depths Through a kaleidoscope of perspectives we witness desire s power to ignite passion forge destinies and reveal the hidden chambers of the soul Yet we also confront its potential to consume and enslave leading us down treacherous paths of obsession and despair This introspective voyage traverses the landscapes of history philosophy and art drawing upon timeless tales of unrequited love insatiable greed and the relentless pursuit of dreams Through these narratives we glimpse our own reflections our own struggles and aspirations and are invited to contemplate the intricate

dance between fulfillment and longing With keen insight and compassion the author unravels the complexities of the human psyche laying bare the conflicting impulses that reside within us We examine the tension between our innate desires and societal expectations the allure of immediate gratification versus the pursuit of long term goals and the delicate balance between self interest and compassion This exploration empowers us to cultivate a deeper awareness of our own desires enabling us to navigate the treacherous waters of the human experience with greater wisdom and equanimity The Pursuit of Yearning is a profound meditation on the essence of desire inviting readers to embrace its paradoxical nature It is a call to explore the depths of our longing not to conquer or suppress it but to understand and harness its transformative potential for the betterment of ourselves and the world around us With lyrical prose and penetrating insights this book is a must read for anyone seeking to unravel the enigma of desire and discover the path to authentic fulfillment If you like this book write a review on google books

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times
