Song Of Songs Ancient Egyptian Love So:

The Song of Songs and the Ancient Egyptian Love Songs Michael V. Fox, 1985 Proverbs, Ecclesiastes, Song of Songs Duane A. Garrett, 1993 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *The Song of Songs and the Ancient Egyptian Love Songs* Michael V. Fox, 1985-01-01

Feminist Companion to the Song of Songs Athalya Brenner, 1993-03-01 Provides feminist approaches to the Song of Songs from leading scholars of the Hebrew Bible and feminist hermeneutics **The Song of Songs** Yair Zakovitch, 2018-09-20 The Hebrew Bible is religious literature the fundamental interest of which lies in the relations between humankind especially the people of Israel and God The Song of Songs on the other hand is interested in the relations between men and women In this volume Yair Zakovitch examines the presence of the Song of Songs in the Hebrew Bible and questions how this enigmatic collection of poetic writings came to be within the Bible Zakovitch poses and addresses a range of enticing questions in the eight chapters of this volume including what does this erotic poetry have to do with Israel's formative texts What do the poems tell us about gender relations in those years and about early Israel's attitudes towards beauty love women and sex Do we finally get to hear women's voices in the Song where the rest of the Bible gives a male perspective How despite our astonishment is the Song of Songs nonetheless intrinsically biblical What does it have in common with the Bible's other books Was the allegorical interpretation of the Song just an excuse in order to include the book in Scripture **Song of Songs** Adele Berlin, 2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song's blending of the Jewish and the Greek is part of its literary virtuosity **Ruth, Esther, Song of Songs, and Judith** Lisa M. Wolfe, 2011-11-01 This lively commentary encompasses four major books focusing on women in the Hebrew Bible and Apocrypha Each section in the volume addresses the biblical text in detail and draws connections from the world of ancient audiences to that of present day readers Wolfe's research is motivated by the usual inquiries of biblical scholarship as well as the questions raised by the many church Bible study groups she has taught Clergy and laity students and scholars will benefit from these contemporarily relevant reflections on Ruth Esther Song of Songs and Judith Ruth The foreign widow who sneaks onto the nighttime threshing floor to find survival for herself and her devastated mother in law Esther The Jewish orphan turned queen who turns Persian banqueting on its head in an effort to defend her people Song of Songs The proud and alluring lover who claims her sexuality as her own and joyfully shares it with her beloved Judith The pious and beautiful widow who lets the enemy commander's appetite become his downfall in order to save her besieged city This volume is an opportunity to engage these women's suspense filled stories which have sustained faith communities since ancient times _____ Lisa Wolfe is also the author of a DVD Bible study series Uppity Women of the Bible Living the Questions 2010 which is a companion to this book

To purchase a copy of the DVD series please visit the following link at Living the Questions <http://www.livingthequestions.com/xcart/home.php?cat=461> **Poetry in the Song of Songs** Patrick Hunt, 2008 This ground breaking study explores the structure and literary figures in the biblical Hebrew poetry of the Song of Songs These figures include simile metaphor paronomasia parallelism sensory cluster fertility language flowers spices and plants as well as animals and images of wealth and many other literary devices delineated but not limited to how they also appear in classical literature as defined by Aristotle Quintilian and others This biblical poetry is also compared to the Greek poetry of Sappho and Egyptian love poetry as well as to the Ramayana and the Kamasutra The Song of Songs is discreetly yet firmly interpreted as erotic literature **Women in Ugarit and Israel** Hennie J. Marsman, 2003-01-01 This book discusses women in a polytheistic and monotheistic society by analyzing their social and religious position according to the literary and non literary texts of Ugarit and Israel

Altogether Lovely Havilah Dharamraj, 2018-06-01 The frank eroticism of the Song of Songs has long seemed out of place in the Hebrew Bible As a result both Jewish and Christian interpreters have struggled to read it as an allegory of the relationship between God as husband and Israel or the church as bride Havilah Dharamraj approaches the Song with a clear vision of the gendering of power relationships in the ancient Near East and through an intertextual method centered not on production but on the reception of texts She sets the Song's lyrical portrayal of passion and intimacy alongside other canonical portrayals of love spurned lust rejection and sexual violence from Hosea Ezekiel and Isaiah The result is a richly nuanced exposition of the possibilities of intimacy and remorse in interhuman and divine human relationship The intertextual juxtaposition of contrasting texts produces a third text an intracanonial conversation in which patriarchal control and violence are answered in a tender and generous mutuality
