Michael Dauphinais, Matthew Levering

Sons A Fathers Love:

Sons and Fathers John Crosby, 2013-10-23 Father son relationships can be notoriously difficult Often fractious sometimes hostile and occasionally destructive the issue of authority is negotiated by fathers and sons in a range of styles In this fascinating new book John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love authority and the wider family context *Sons and Fathers* is an approach to understanding this son father conflict based on early life experience rather than upon psycho historical or psycho biographical material and theorizing Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man s relationship to his father can be understood in the context of key developmental theories in particular those of Eric Erikson and Murray Bowen s family system theory The book also includes an extended introduction to both theorists for those unfamiliar with their work as well as a discussion of the role of corporal punishment as a method of disciplining children From Michael Jackson to Bing Crosby Joseph Stalin to John F Kennedy this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan Family Studies Marriage and Family therapy and related subjects It will also appeal to professionals working in the area including social workers counsellors and therapists

Reading John with St. Thomas Aquinas Michael Dauphinais, Matthew Levering, 2005 Written by leading experts on Aquinas's theology the essays in *Reading John with St. Thomas Aquinas* bear common witness to a central theological conviction the tasks of biblical exegesis and speculative theology though distinct indwell and inform each other As the first book length study of the full breadth of Aquinas's *Commentary on the Gospel of John* this work illuminates the way in which thinking systematically or speculatively about revelation flows from questions raised within biblical exegesis itself Like any medieval biblical commentator Aquinas attempts to understand a biblical text not only in itself but also by appealing to parallel interpretive texts drawn from throughout the Bible as well as the accumulated insights of the Church Fathers This method enables him to penetrate deeply into the thought of the Bible recognizing that the biblical authors speaking from within the context of Israel and the Church raise questions that are theological and that belong to coherent speculative theological frameworks The result is in large part a speculative theological commentary that is not imposed on the biblical texts but emerges from it necessary conjunction of the inspired words of Scripture exegetical commentary and theological analysis The volume is both a study of Aquinas's thought and an attempt to foster contemporary exegetical approaches that emphasize the need to interpret Scripture speculatively through the historical lens of tradition

The Gospel According to the Trinity Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In The Gospel According to Trinity Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement

between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K Stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

The Works of John Owen John Owen, 1851 *The Works of John Owen, D.D.* John Owen, 1851 **The Trinity and Theodicy** Dr Jacob H Friesenhahn, 2013-06-28 Why does God permit the great suffering and evil that we see in our world This basic question of

human existence receives a fresh answer in this book as the mystery of evil is explored in the context of the mystery of the Trinity God's permission of evil and the way in which suffering can lead human persons into the life of the Trinity are discussed in dialogue with the great Swiss theologian Hans Urs von Balthasar In the light of Balthasar's model of the Trinity as divine self giving love we gain a profound grasp of the nature of suffering in human life by placing our suffering in the context of the divine life of the Triune God

Revival Culture Michael Brodeur, Banning Liebscher, 2013-01-17 We all want revival We talk about it pray for it and devise every evangelism strategy imaginable We read about the Great Awakening and recall the Jesus Movement And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth But are we ready *Revival Culture* is an inspirational biblical and empowering manual for the next generation of revivalists Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding California and through Jesus Culture that goes beyond slogans and high hopes to actually reaching They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event This is the full picture of revival culture
