Sorceress And The Savage:

The Sorceress and the Savage Saranne Dawson,2000 Set on a futuristic planet this tale is about a charming sorceress who returns to her people s homeland and uncovers the love of a lifetime with her ancient enemy a disarmingly dangerous and purely male savage

The Ashgate Research Companion to Henry Purcell Rebecca Herissone,2016-04-01 The Ashgate Research Companion to Henry Purcell provides a comprehensive and authoritative review of current research into Purcell and the environment of Restoration music with contributions from leading experts in the field Seen from the perspective of modern interdisciplinary approaches to scholarship the companion allows the reader to develop a rounded view of the environment in which Purcell lived the people with whom he worked the social conditions that influenced his activities and the ways in which the modern perception of him has been affected by reception of his music after his death In this sense the contributions do not privilege the individual over the environment rather they use the modern reader s familiarity with Purcell s music as a gateway into the broader Restoration world Topics include a reassessment of our understanding of Purcell s sources and the transmission of his music new ways of approaching the study of his creative methods performance practice the multi faceted theatre environment in which his work was focused in the last five years of his life the importance of the political and social contexts of late seventeenth century England and the ways in which the performance history and reception of his music have influenced modern appreciation of the composer The book will be essential reading for anyone studying the music and culture of the seventeenth century

Sidonia, the Sorceress; The Supposed Destroyer of the Whole Reigning Ducal House of Pomerania, In Two Volumes Wilhelm Meinhold,2023-05-24 Reproduction of the original

The Ashgate Encyclopedia of Literary and Cinematic Monsters Jeffrey Andrew Weinstock,2016-04-01 From vampires and demons to ghosts and zombies interest in monsters in literature film and popular culture has never been stronger This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A Z of monsters throughout the ages It is the first major reference book on monsters for the scholarly market Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor Generic entries such as ghost and vampire are cross listed with important specific manifestations of that monster In addition to monsters appearing in English language literature and film the Encyclopedia also includes significant monsters in Spanish French Italian German Russian Indian Chinese Japanese African and Middle Eastern traditions Alphabetically organized the entries each feature suggestions for further reading The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves

Sorceress Paul Weightman,2019-10-10 There are good witches and there are evil witches This story is about both

The Witch of Golgotha Baruyr Pesh-mal-yan,1913

Canidia, Rome's First Witch Maxwell Teitel Paule,2017-02-09 Canidia is one of the most well attested witches in Latin literature She appears in no fewer than six of Horace s poems three of which she has a prominent role in Throughout Horace s Epodes and Satires she

perpetrates acts of grave desecration kidnapping murder magical torture and poisoning She invades the gardens of Horace s literary patron Maecenas rips apart a lamb with her teeth starves a Roman child to death and threatens to unnaturally prolong Horace s life to keep him in a state of perpetual torment She can be seen as an anti muse Horace repeatedly sets her in opposition to his literary patron casts her as the personification of his iambic poetry and gives her the surprising honor of concluding not only his Epodes but also his second book of Satires This volume is the first comprehensive treatment of Canidia It offers translations of each of the three poems which feature Canidia as a main character as well as the relevant portions from the other three poems in which Canidia plays a minor role These translations are accompanied by extensive analysis of Canidia s part in each piece that takes into account not only the poems literary contexts but their magico religious details

Henry Purcell's Dido and Aeneas Ellen T. Harris, 2018 Purcell s Dido and Aeneas stands as the greatest operatic achievement of seventeenth century England and yet despite its global renown it remains cloaked in mystery The date and place of its first performance cannot be fixed with precision and the absolute accuracy of the surviving scores which date from almost 100 years after the work was written cannot be assumed In this thirtieth anniversary new edition of her book Ellen Harris closely examines the many theories that have been proposed for the opera s origin and chronology considering the opera both as political allegory and as a positive exemplar for young women Her study explores the work s historical position in the Restoration theater revealing its roots in seventeenth century English theatrical and musical traditions and carefully evaluates the surviving sources for the various readings they offer of line designations in the text who sings what the vocal ranges of the soloists the use of dance and chorus and overall layout It goes on to provide substantive analysis of Purcell s musical declamation and use of ground bass In tracing the performance history of Dido and Aeneas Harris presents an in depth examination of the adaptations made by the Academy of Ancient Music at the end of the eighteenth century based on the surviving manuscripts She then follows the growing interest in the creation of an authentic version in the nineteenth and early twentieth centuries through published editions and performance reviews and considers the opera as an important factor in the so called English Musical Renaissance To a significant degree the continuing fascination with Purcell s Dido and Aeneas rests on its apparent mutability and Harris shows this has been inherent in the opera effectively from its origin

O Let Us Howle Some Heavy Note Amanda Eubanks Winkler, 2006-11-01 A multidisciplinary study of the uses of music and the portrayal of characters with mental disorder in seventeenth century English opera and theater In the seventeenth century harmonious sounds were thought to represent the well ordered body of the obedient subject and by extension the well ordered state conversely discordant unpleasant music represented both those who caused disorder murderers drunkards witches traitors and those who suffered from bodily disorders melancholics madmen and madwomen While these theoretical correspondences seem straightforward in theatrical practice the musical portrayals of disorderly characters were multivalent and often ambiguous O Let Us Howle Some Heavy Note focuses on the various ways that

theatrical music represented disorderly subjects those who presented either a direct or metaphorical threat to the health of the English kingdom in seventeenth century England Using theater music to examine narratives of social history Winkler demonstrates how music reinscribed and often resisted conservative political religious gender and social ideologies In a world centered on notions of order and harmony witchcraft melancholia and madness inhabit the margins of society However in this impressive and wide ranging study Amanda Eubanks Winkler skillfully relocates this trinity of disorder close to the center of our understanding of seventeenth century English theater Musically insightful historically illuminating and interpretatively rich *O Let Us Howle Some Heavy Note* will amply reward scholars of music and theater alike Steven Plank Oberlin College Winkler has crafted an extraordinarily useful and well informed study that fills significant gaps in the existing musicological and theatrical scholarship on this period With its interpretive subtlety its approachable style and its detailed exploration of a wide range of examples from little known stage works to such staples of the genre as *Hamlet The Duchess of Malfi* and *Dido and Aeneas* this engaging book will be of interest to any scholar or non specialist seeking to understand the seventeenth century s fascination with and ambivalence toward portrayals of witchcraft and madness on the theatrical stage Dr Andrew Walkling Department of History SUNY Binghamton Seventeenth century England provides an outstanding backdrop for this study which focuses on theatrical characters generally associated with mental disorder Opera scholars should find this work helpful and specialists in gender studies will gain much from Winkler s discussion of stereotypes role reversals pathological diagnoses and so on Recommended Choice **The Sorceress** Jules Michelet,1904

MULTIDISCIPLINARY SUBJECTS FOR RESEARCH-IX, VOLUME-2 Dr. Dilipkumar A. Ode,Jigeshkumar D.
